## Annual Report Highlights Achievements

by Jim Haynes, Lottery Director

As the end of the year approaches, I want to extend Season's Greetings from everyone at the Nebraska Lottery.

The end of the year is a perfect time to reflect on our accomplishments and look forward to the possibilities to come. Recently, the Nebraska Lottery published our 2009 Annual Report and Resource Guide (for the fiscal year that began on July 1, 2008, and ended on June 30, 2009), and I'd like to share a few highlights from the publication that may be of interest to our retail partners.

Sales of all Nebraska Lottery games (Scratch and Lotto) for the fiscal year totaled more than \$123 million. Total contributions to Nebraska Lottery beneficiary funds passed \$349 million with the June quarterly transfer. During the fiscal year, Nebraska Lottery beneficiary funds received a total of \$30 million.

There were several changes to the Nebraska Lottery's product offerings during the fiscal year. On October 1, 2008, the MyDaY on-line game was introduced. MyDaY produced nearly \$2 million in sales in its first nine months of operations. The Nebraska Lottery also participated in enhancements made to Powerball by the Multi-State Lottery Association. A partnership with the Nebraska Department of Economic Development Division of Travel and Tourism resulted in the Nebraska 101 \$2 Scratch game featuring Nebraska trivia and offering Nebraska vacation packages.

Nebraska Lottery retailers received more than \$7 million in commissions during the fiscal year.

Nebraska Lottery research found that 44 percent of the eligible population (age 19 or older) has played a Nebraska Lottery game in the past year.

## Recent Winners

### Bellevue Man Wins \$114,000 Nebraska Pick 5 Jackpot

Richard Briscoe of Bellevue recently won \$114,000 playing Nebraska Pick 5 from the Nebraska Lottery.

There were more than 7,000 Nebraska Lottery winners in the Tuesday, October 27 drawings. Among these winners was Briscoe, who purchased a three-play quick pick Nebraska Pick 5 ticket at Kwik Shop, 502 West Mission Street in Bellevue. One play on the ticket contained all five of the winning numbers (7, 8, 19, 21, 34) from the October 27 drawing for the \$114,000 jackpot.

Briscoe wasted no time in claiming his prize, arriving at Nebraska Lottery headquarters the day after the drawing. He told Nebraska Lottery officials that he learned he had won the \$114,000 jackpot after his wife told him that a winning Nebraska Pick 5 ticket had been sold at Kwik Shop. Briscoe then returned to the store to check his ticket. He plans to pay bills and purchase a new car using his winnings.

The odds of winning the Nebraska Pick 5 jackpot, which starts at \$50,000 and grows by \$4,000 each time it is not won, are 1 in 501,942, while the overall odds of winning a prize in the game are 1 in 8.

### \$100,000 Platinum Payout Prize for Hastings Woman

Carolyn Brouillette of Hastings won \$100,000 playing the \$10 Scratch game Platinum Payout from the Nebraska Lottery.

Brouillette purchased her winning Platinum Payout ticket from the Nebraska Lottery event trailer on October 16. The trailer was located at Allen's of Hastings, 1115 West Second Street in Hastings for the store's October Jamboree event. After she returned to her car, Brouillette scratched the ticket and revealed matching numbers for a corresponding prize of \$100,000.

While claiming her prize on October 19, Brouillette told Nebraska Lottery officials that she "couldn't believe it" when she realized she had won the \$100,000 top prize. She plans to pay bills and purchase a new vehicle using her winnings.
