Kearney Woman Wins \$35,000 Playing 2X Wild Bingo

Jamie Jensen of Kearney recently won \$35,000 playing the \$3 Scratch game 2X Wild Bingo from the Nebraska Lottery.

Jensen purchased her winning Wild Bingo ticket at Casey's General Store, 1308 East 39th Street in Kearney. Scratching the ticket, she revealed matching numbers in an "X" formation on Card 5 for a corresponding \$35,000 prize.

There are four \$35,000 top prizes available in 2X Wild Bingo. Jensen is the second person to claim a top prize in the game.

While claiming her prize on May 3, Jensen told Nebraska Lottery officials that she wasn't sure she had won the \$35,000 top prize at first. "I thought I had won \$500, but then I scratched off the bonus numbers," she said. Jensen plans to pay bills and travel using her winnings.

2X Wild Bingo is a \$3 Scratch game from the Nebraska Lottery that offers players the chance to win \$1,876,200 in cash prizes from \$3 to \$35,000. The odds of winning \$35,000 playing 2X Wild Bingo are 1 in 240,000, while the overall odds of winning any prize are 1 in 3.42.

R RECYCLING

Over \$750,000 in Grant Dollars Towards Recycling

The Nebraska Environmental Trust awarded a total of \$758,106 towards nine recycling projects in its 2010 Grant Cycle. Recycling has always been a large component and one of the main priorities of the Trust. The Trust received 14 recycling or recycling related project applications this cycle. Out of these, 65 percent of these projects were funded. Some projects are multi-year projects and have the potential to receive additional funding in the future.

Keep Alliance Beautiful Gets Funding For Recycling Equipment

Keep Alliance Beautiful (KAB) will be using Nebraska Environmental Trust (NET) grant funds awarded for 2010 – 12 to support education programming funding and recycling equipment. The KAB recycling program has developed from the purchase of a recycling separation trailer in 2001 to an operational recycling center in 2010. NET provided funding in 2009 for a baler used primarily for cardboard.

New plans for this first year of the 3 year cycle include the hiring of personnel to help operate the center on a regular basis. Prior to this year, the center was open by appointment only. Proposed education programs include Recycling Ambassadors (3 years), Students for Recycling (3 years),

Some of these projects include:

- Logger/Baler for appliances and public clean-ups by US Recycling Co.
- Nebraska asphalt shingle recycling program by R2R Recycling, LLC
- Recycling and solid waste management by the City of Lincoln
- Utilizing poultry feathers and used plastic bags for high value products by the University of Nebraska, Lincoln

and a Water Bottle re-use program. The NET grant will also help fund equipment needed at the recycling center.

The Nebraska Legislature created the Nebraska Environmental Trust in 1992. Using the revenue from the Nebraska Lottery, the Trust has provided grants to 1034 projects across the state. Anyone can apply – citizens, conservation organizations, communities, businesses and individuals who want to protect Nebraska's natural habitat, improve water quality and quantity or find ways to manage our waste. The Nebraska Environmental Trust works to preserve, protect, and restore our natural resources for future generations.

During the months of May, June, July, and August, players who send in \$10 worth of non-winning \$2 Scratch tickets will be entered in the Truck\$ & Buck\$ Second-Chance Raptor Giveaway for a chance to win a 2010 Ford F-150 SVT Raptor truck. In 1996, the Nebraska Lottery introduced a new \$2 Scratch game: Truck\$ & Buck\$. The game soon became a customer favorite as players purchased Truck\$ & Buck\$ tickets for a chance to win a new vehicle. The first truck winner was Mike Firestone of Lincoln, who received a 1997 Ford F-150 Super Cab 4x4 in June 1996. Since then, dozens of Ford, Chevrolet, Dodge and Toyota vehicles have been given away to lucky players each year.

2010 marks the 15th anniversary of Truck\$ & Buck\$. Players have the opportunity to win one of four Ford F-150 XLT Super Crew 4x4 Flex Fuel trucks as well as \$741,000 in cash and Ethanol-enriched fuel prizes.

To date, one Ford F-150 has been claimed by a Nebraska Lottery player, and three remain to win in the game. Kenneth Northup of Lincoln was the first truck winner and claimed his prize on May 21.
