## HELP FOR PROBLEM GAMBLING IS AVAILABLE.

Gambling can be an enjoyable source of entertainment for many people. But for some people, gambling can be addictive.

Assistance with problem gambling is available via the Nebraska Gamblers Assistance Program. If you decide you could use the help of confidential, professional counseling with a certified problem gambling counselor, the State of Nebraska pays the full cost of counseling for Nebraskans and their families. Working with a trained counselor helped 92% of Nebraska clients reduce their gambling, and 78% reduced their gambling debt.

Removing gambling as a barrier in your life comes in stages:

- **Stage 1:** You still gamble and you want to keep gambling, but it has come to your attention that your gambling is causing problems.
- **Stage 2:** You see that your gambling has a downside, but do not want to have to give it up to make positive changes.
- **Stage 3:** You have taken an honest look at your gambling. You have

talked to people you trust, and decided that gambling needs to take a back seat to things that matter. Gambling has become the center of your life, and you want control back.

- **Stage 4:** You have decided to take action to reduce or stop gambling. You take a hard-nosed look at your gambling. This stage takes time as you plan how you want to address your gambling with actions that work for you.
- **Stage 5:** You make short-term goals of six or more months to maintain success with your goals. You expect to slip up – it is part of meeting your goal. You work hard with the help of family and friends.

You and your counselor can develop **an individual, realistic plan** that includes **safe and comfortable withdrawal** from the gambling behavior **you want to change, motivation** to remember the reason you want to change, the **skills to be successful**, and the methods and strategies for actions **that measure your progress**.

Julio Olmedo of Schuyler is the first winner of a 2020 Ford F-150 XLT 4x4 SuperCrew Flex Fuel truck in the 25th edition of the Nebraska Lottery's \$2 Truck\$ & Buck\$ Scratch game.

The winning ticket was purchased at Sam's General Store at 3417 14th Street in Columbus. It contained matching symbols in Game 9 to win the corresponding truck prize.

Nebraska Lottery officials presented Olmedo with his truck on January 21 at Sam's General Store. This is the third time a Truck\$ & Buck\$ top prize was won in Columbus.

Olmedo said he was very excited to be the first Truck\$ & Buck\$ winner of 2020.

"I'm going to drive it and enjoy it," he said. "Show it off."

The truck prize is valued at \$54,800, which includes \$1,214 for costs associated with ownership and state and federal withholding paid by the Nebraska Lottery of \$2,730 and \$13,104, respectively.
