If evidence other than oral testimony is required, each item to be produced must be adequately described. When properly prepared, the subpoena will be returned to the requesting party for service. Service may be made either by mailing a copy thereof by certified mail, return receipt requested, no less than six (6) days before the hearing date of the cause which the witnesses are required to attend or personally, by any person not interested in the action.

206.05A Evidence having probative value. The Hearing Officer may admit evidence which possesses probative value commonly accepted among reasonably prudent men or women in the conduct of their own affairs. 206.09 Presentation of Evidentiary Testimony.

206.09A Presentation. At any hearing, every party thereto shall have the right to present evidence and testimony of witnesses and to cross-examine any witness who testifies on behalf of an adverse party. If the party is not represented by anyone qualified to make an appearance, the Hearing Officer shall explain to the party the rules of practice and procedure

and shall generally conduct a hearing in a less formal manner than that used when a party has a representative qualified to appear. It should be the purpose of the Hearing Officer to assist any party who appears without such a representative to the extent necessary to allow him or her to fairly present his or her evidence, testimony, and arguments on the issues.

206.11 Arguments as to Law. The parties should be prepared to make oral arguments as to the law at the conclusion of a hearing. A written memorandum of law may be filed at the time of the hearing at the discretion of any party or at a time subsequent to the hearing if the Hearing Officer so directs.

(Sections 9-819 and 9-823, R.R.S. 2012. October 7, 2015.)

REG-301 GENERAL

301.01 Purchasing in general. The Division may purchase, lease, lease-purchase, or enter into lottery procurement contracts for goods or services necessary for effectuating the purposes of the Act.

301.02 Lottery procurement contracts entered into by the Division are not subject to the provisions of Nebraska law regarding the purchase of goods or services.

301.03 The Division may purchase, lease or enter into a contract for goods expected to cost in aggregate ten thousand dollars (\$10,000) or less, or services expected to cost in the aggregate twenty-five thousand dollars (\$25,000) or less, in any manner deemed appropriate by the Director.

301.04 It is the policy of the Division to contribute to the establishment, preservation, and strengthening of businesses owned by women and minorities to encourage their participation in state procurement activities. The Division encourages these firms to compete and encourages nonminority firms to provide for the participation of businesses owned by women and minorities through partnerships, joint ventures, subcontracts, and other contractual opportunities.

301.05 It is the policy of the Division to encourage a drug-free workplace. The Division encourages all vendors or prospective vendors to establish a drug-free workplace and to prohibit the illegal manufacture, possession, distribution or use of controlled substances in the workplace. For vendors or prospective vendors of goods and services unique to the lottery, a drug-free workplace may be a qualification requirement for a contract.

(Sections 9-806 and 9-833, R.R.S. 2012. October 7, 2015.)

REG-302 COMPETITIVE BIDDING

302.01 Applicability. The purchase, lease, lease-purchase, or contracting for goods expected to cost in the aggregate in excess of ten thousand dollars (\$10,000) and services expected to cost in the aggregate in excess of twenty-five thousand dollars (\$25,000) shall be obtained as a result of competitive bidding, except as provided below.

302.01A The Division may exempt an item from competitive bidding other than a major procurement, if the item or service is unique, is purchased in quantities too small to be effectively purchased through competitive bidding, if there is an immediate or emergency need for the item, or if the Division determines that the best interests of the lottery will be served by exemption from the bidding process.

302.01B Whenever a purchase is exempt from competitive procurement procedures under these regulations, the Director is required to make a determination that the cost of the goods or services are reasonable under the circumstances. In making this reasonableness determination, the Director may use historical pricing data, and personal knowledge of product and marketplace conditions.

302.02 Methods of obtaining bids or proposals used by the Division. Bids or proposals are to be obtained by one of the following methods. If more than one method is applicable to the purchase of a particular item, the Division shall choose the method of bidding to be utilized.

302.02A Informal bids—goods. Informal bids are required for the purchase, lease, lease-purchase or entering into a contract for goods costing in the aggregate more than ten thousand dollars (\$10,000).

302.02A(1) The Division shall prepare a written invitation-to-bid (ITB) and shall mail, fax, hand deliver or email the ITB, to vendors on the list maintained under these regulations, Prospective Bidder Selection, in the business of providing the goods sought by the Division or shall place a link to an electronic version of the ITB on nelottery.com.

302.02A(2) The invitation to bid shall contain the due date and time of the bid opening, a complete description of the item needed, and any other necessary or proper items. All sample items must be received by the bid due date. The Department may elect how bidders may submit bids, including by mail, fax, hand delivery, email, telephone, or otherwise.

302.02A(3) Bids received prior to the time set for the bid opening of the bidding document shall be held by the Division unopened until the bid opening.

302.02A(4) All bids shall be opened by the Division. As the bids are opened, they will be summarized and tabulated, and the results of the summary/tabulations shall be made available to any interested party. The original bids and the summary/tabulations will be maintained by the Division for one year following the date on which the bids were opened, at which time all original bids, records and summary/tabulations may be destroyed by the Division.

302.02A(5) An award shall be made within ninety (90) calendar days from the date of the bid opening unless a different time frame is stated by the Division in the ITB or subsequently agreed to by the Division and the bidders. The price quoted by the bidders shall remain binding through the applicable time period. If an award is not made within the applicable time frame, all bids shall be deemed rejected. The Division is not required to issue notices of non-acceptance.

302.02B Informal bids - services. Informal bids are required for the purchase of services costing in the aggregate more than twenty-five thousand dollars (\$25,000).

302.02B(1) The Division shall solicit at least three bidders in the business of providing the services sought by the Division. If the Division is unable to discover at least three businesses which provide the services sought, the Division may solicit bids from fewer than three bidders.

302.02B(2) The results of all bids will be tabulated, and the results of the tabulations shall be made available to any interested party. A record of the bids and tabulations will be maintained by the Division for one year following the date on which the bids are solicited, at which time all original bids, records and tabulations may be destroyed by the Division.

302.02C Request for proposals. Request for proposals (RFP) are required for major procurements. The purpose of an RFP is to provide the vendor with sufficient information about the Division's requirements and goals to allow the vendor to propose a solution to the Division's requirements.

302.02C(1) The Division shall prepare a written RFP and shall send by electronic or U.S. mail the RFP to vendors on the list maintained under these regulations in the business of supplying the goods or services sought by the Division or shall place a link to an electronic version of the RFP on nelottery.com.

302.02C(2) Requests for proposals issued by the Division for all major procurements shall be advertised five (5) days before issuance in a daily paper of general circulation in Nebraska.

302.02C(3) The advertisement shall indicate that it is a notice to prospective vendors, contain the bid due date and time of opening, describe the items to be purchased, and provide the name, email address, and telephone number of the person to be contacted to obtain official bidding documents.

302.02C(4) Proposals shall be opened at the time designated in the RFP and made available to any interested party on the date and hour designated in the RFP. Any portions of the proposal that have been properly identified by the vendor as trade secrets or proprietary information shall not be disclosed by the Division, except as otherwise required by applicable state law.

302.02C(5) The selection of the apparent successful vendor shall be made within ninety (90) calendar days from the date of the proposal opening unless a different time frame is stated by the Division in the RFP during which the award shall be made or during which bids will remain binding or subsequently agreed to by the vendors. The terms quoted by the vendor shall remain binding throughout the time period for making an award, or the time period specified in the RFP. If an award is not made within the applicable time frame all proposals shall be deemed rejected.

302.02C(6) At a minimum an RFP shall address the following criteria: important dates in the proposal and the award process including the due date for the proposal and the date and hour of the proposal opening; the scope of the work to be performed and any specific requirements which the vendor must meet; the providing of samples, and any contractual terms and conditions which the Division anticipates may affect the terms of the vendor's proposal.

302.02D Department of Administrative Services. Goods and services may be obtained by the Division through the Department of Administrative Services whenever such procurement is possible and is in the best interest of the Division.

302.02E Emergency purchases. An emergency purchase procurement, other than a major procurement, shall be made when an unexpected, sudden, serious, or urgent situation demands immediate action. An emergency purchase may be used only to purchase goods necessary to meet the emergency. Subsequent purchases must be obtained through the normal purchasing procedures in these regulations. Competitive procedures are not required to make emergency purchase procurements.

302.02E(1) For an emergency purchase of goods more than ten thousand dollars (\$10,000), the Division will state in writing the nature of the emergency, the bidder selected, the goods procured, the date of the procurement and factors leading to a determination of the emergency purchase.

302.03 Changes in ITB or RFP. The Division may make changes to any solicitations at any time. Any changes will be sent to all persons who received the ITB or RFP.

302.04 Questions about ITB or RFP.

302.04A The Division may accept questions about any ITB submitted in any manner deemed acceptable to the Division. For an ITB, the Division is only required to answer a question only to the specific vendor asking the question, although it may elect to notify all potential bidders about the question and the Division's response.

302.04B The Division may accept questions about any RFP submitted in any other manner deemed acceptable to the Division. The Division will establish the date by which all questions have to be received. The Division may answer some or all of the questions received at its election. All answers to RFP questions will be in writing and will be provided in the same manner and to the same persons as changes to an RFP, along with a copy of the questions that were answered.

302.05 Cancellation of ITB or RFP. If an informal invitation to bid or request for proposal is canceled prior to the time set for opening the bids or proposals any responses already received shall be returned unopened.

(Sections 9-803, 9-806, 9-832, 9-833, 9-834, 9-835, and 9-836, 9-836.01, and 9-837, R.R.S. 2012. October 7, 2015.)

REG-303 BIDS OR PROPOSALS

303.01 Bids or proposals to conform with specifications. All bids or proposals must conform to the specifications indicated by the Division. Bids or proposals which do not conform to the specifications may be rejected. The Division reserves the right to waive deficiencies in the bids or proposals if in the judgment of the Division the best interests of the lottery would be served by the waiver.

303.01A Proposals only intended to include a portion of the project must clearly identify those requirements that were not included in the proposal. If no exclusions are stated, the proposal is presumed to include all of the requirements of the ITB or RFP.

303.02 Time of submission. All bids or proposals must be submitted by the bidder in sufficient time to physically reach the Division prior to the date and time set for submission established by the Division.

303.02A Bids or proposals received after the appropriate date and time shall not be returned to the bidder unless the bidder specifically requests their return.

303.02B The bidder is solely responsible for ensuring that bids or proposals are physically received by the Division prior to the date and time specified.

303.03 Modification or withdrawal of bids. Bids or proposals may be modified or withdrawn prior to the time and date set for submission. Modifications or withdrawals shall be in writing and delivered in a sealed envelope which properly identifies the correct bid or proposal to be modified or withdrawn. A bid or proposal may be withdrawn after the opening only with the approval of the Division if the Division finds that an honest error was made by the bidder which would cause undue financial hardship to the bidder and which would not cause undue financial hardship or inconvenience to the Division.

303.03A In any bid or proposal, where written words differ from figures, the written words will govern.

303.03B Any correction or alteration to a bid or proposal must be in writing and must be initialed, in ink, by the person who signs the bid or proposal.

(Sections 9-803, 9-806, 9-832, 9-833, 9-834, 9-835, and 9-836, 9-836.01, and 9-837, R.R.S. 2012. October 7, 2015.)

REG-304 FINANCIAL SECURITY

304.01 The Division may require security on bids or proposals. When security is required, the ITB or RFP may contain the types and amounts of security required, and the allowable forms for the security.

304.02 The following types of security may be required: bid or proposal security; litigation security; performance bond; or fidelity bond. A performance bond shall be required for a major procurement.

304.02A The amount for any performance bond will be the full amount estimated to be paid annually under the contract.

304.02B When litigation security is required, it will be retained for a period of one year, or such other period as specified in the RFP. The security may be released earlier if the bidder submits a covenant not to sue that is approved by the Division.

304.03 When required, a performance bond must be a bond issued by a surety licensed to do business in Nebraska on a form approved by the Division. For any other security required, the security may also be a certified or cashier's check payable to the Division, letter of credit payable to the Division, or any other form specified by the Division. Any certified or cashier's check, or letter of credit must be issued by a bank which is a member of the Federal

Reserve System which has a long-term debt rating by a recognized rating agency and is financially rated A- or better. Any letter of credit executed under this subdivision must also provide that:

304.03A Nothing more than a demand for payment is necessary for payment and the letter of credit is not conditional on the delivery of any other document or materials, reimbursement to the bank, the bank's ability to perfect any lien or security interest, or the terms of any other document, agreement, or contract; and

304.03B The letter of credit is irrevocable and cannot be modified or revoked without the consent of the Division.

304.04 A fidelity bond, when required, must cover any loss to the State of Nebraska or the Division due to any fraudulent or dishonest act on the part of the Lottery Vendor, any of its employees and agents, and any subcontractor and its employees and agents.

304.05 Any required security will remain in effect until at least thirty (30) days after notice by the surety or issuer of the cancellation of the security.

304.06 A Lottery Vendor may also be required to provide and carry various types of insurance.

(Sections 9-806 and 9-836, R.R.S. 2012. August 29, 1996.)

REG-305 EVALUATION OF BIDS OR PROPOSALS

305.01 For informal bids, the Division shall award the contract to the responsible bidder submitting the best proposal which maximizes the benefits to the State in the areas of security, competence, cost, and timely performance to benefit the public purpose of the Act. The best proposal will be determined in relationship to the products, equipment and related services promised using both objective and subjective criteria. The Division shall consider the following factors with regard to informal bids:

305.01A Cost, which shall be a major factor in every bid selection;

305.01A(1) The Division may consider the effect of cash discounts;

305.01B The competence, experience and financial status of the bidder;

305.01C Any prior experience of the Division or Department with the bidder;

305.01D The quality of products, equipment or services offered;

305.01D(1) Various items or services may require testing either before or after the final award of a contract, or as a part of a proposal. The Division may consider the results of the testing.

305.01D(1)(a) The bidder shall guarantee price and quality before and after testing.

305.01D(1)(b) The Division shall not be liable for any costs incurred by bidders in providing samples, unless specifically stated in the ITB or RFP.

305.01E The capability of the bidder to provide the products, equipment and services requested within the time indicated in the bid;

305.01F Whether the bidder is based in Nebraska; and

305.01G Such other factors as the Division may determine to be appropriate in the particular contract.

305.02 For any major procurement, the Division shall award the contract to the responsible vendor submitting the lowest and best proposal which maximizes the benefits to the state in the following areas:

305.02A The security offered by the vendor to ensure the lottery will operate with integrity, and in a manner that will reflect well upon the State of Nebraska;

305.02B The competence of the vendor as demonstrated by:

305.02B(1) Its experience, skill, and ability necessary to meet requirements set forth in the RFP;

305.02B(2) Prior experience in a comparable state lottery, or experience in other fields which are similar in scope or application;

305.02B(3) Its financial responsibility; and

305.02B(4) Its efforts to secure minority and female participation.

305.02C The quality of the products, equipment, or services offered, including, if applicable, whether products offered by the vendor are beneficial to the environment;

305.02D The capability of the vendor to offer and provide the products, equipment, and services requested in the RFP;

305.02E The ability of the vendor to perform the contract in the time specified in the RFP and during the term of the contract pursuant to the requirements of the Division;

305.02F A cost analysis to include identifiable costs associated with the acquisition, installation, operation, and final disposition of the proposed products or services. The analysis will include information from the proposal and other costs that will be incurred by the Division if the proposal is accepted. The lowest proposal is not necessarily the best proposal;

305.02G Whether the vendor is based in Nebraska; and

305.02H Such other factors as the Division may determine to be appropriate for the particular contract.

(Sections 9-806 and 9-835, R.R.S. 2012. August 10, 2000.)

REG-306 AWARDING OF CONTRACTS AND REJECTION OF BIDS OR PROPOSALS

306.01 Awarding of contracts. After completing the evaluation of bids or proposals, the Division will select a bidder or reject all bids. The Division will then begin negotiating with the bidder or award a contract. All major procurements must be approved by the Tax Commissioner.

306.01A The Division shall resolve ties among bids or proposals which are equal in all respects by drawing lots unless only one of the tied bidders is a Nebraska business. If only one of the bidders tied for an award is a Nebraska business, the Nebraska business shall be given preference over all tied out-of-state businesses.

306.01A(1) If it is necessary to draw lots the drawing shall, whenever practical, be held in the presence of the vendors who submitted the tied bids or proposals. If the tied vendors are not present, the drawing shall be held in front of at least two persons, and the Division shall document the drawing.

306.02 Rejection of bids or proposals. The Division reserves the right to reject any or all bids or proposals. Bids or proposals may be rejected because of faulty specifications, abandonment of the project, insufficient funds, evidence of unfair or flawed bidding process, failure of a bidder to meet the Division's requirements, or for any other reason if

the Division determines that the best interests of lottery will be served by rejecting any or all bids. Following the rejection of bids, new bids may be requested by the Division at any time deemed convenient by the Division.

(Sections 9-806 and 9-835, R.R.S. 2012. August 10, 2000.)

REG-307 CONTRACT REMEDIES

307.01 Remedies for the Division on goods or services which do not meet the contract.

307.01A In any case where the contractor fails to deliver or has delivered goods or services which do not meet the contract standards, the Division shall send a written "Notice to Cure" to the contractor for correction of the problem.

307.01A(1) If the contractor does not respond adequately to the "Notice to Cure," the Division may cancel the contract and buy goods or services from another bidder. Any increase between the contract price and market price will be paid by the contractor who failed to follow the contract. This remedy will be in addition to any other remedy provided by law or contract.

307.01B The Division may refuse to accept goods which exceed the number ordered. The goods may be returned to the contractor at the contractor's expense.

307.01C The Division shall be responsible for inspecting, accepting, or rejecting goods or services under contract.

307.01C(1) In rejecting goods or services, the division shall notify the contractor as soon as possible.

307.01C(2) The Division shall state the reasons for rejecting the goods or services and request prompt cure.

307.01C(3) Replacement goods or services shall be made available to the Division at a date acceptable to the Division.

307.01D Before the Division finds a contractor in default of contract, it will consider the specific reasons the contractor failed, and the time needed to get goods or services from other bidders.

307.02 Termination for convenience of the Division. A purchase order or contract may be terminated for the convenience of the Division by delivering to the bidder a notice of termination specifying the extent to which performance under the purchase order or contract is terminated and the date of the termination. After receipt of a notice of termination, the contractor must stop all work or deliveries under the purchase order or contract on the date and to the extent specified.

307.02A If the purchase order or contract is for commercial items generally sold in substantial quantities to the general public and no specific identifiable inventories were maintained exclusively for the lottery's use, no claims will be accepted by the Division. Payment will be made for items shipped prior to receipt of the termination notice.

307.02B If the purchase order or contract is for items being produced exclusively for the use of the lottery, and raw materials or services must be secured by the vendor from other sources, the vendor shall order no additional materials or services except as may be necessary for completion of any portion of the work which was not terminated. The Division may direct the delivery of the fabricated or unfabricated parts, work in process, completed work, supplies, and other material produced as a part of, or acquired in connection with the performance of the work, or direct the vendor to sell the same, subject to the Division's approval as to price. The vendor may, with the approval of the Division retain the same, and apply a credit to the claim. The vendor must complete performance on any part of the purchase order or contract which was not terminated.

307.02C Within one hundred and twenty days (120) days after receipt of the notice of termination, or such longer period as the Division for good cause may allow, the vendor must submit any termination claim. This claim will be in a form and with certifications prescribed by the Division. The claim will be reviewed and forwarded with appropriate recommendations to the Tax Commissioner.

307.03 Assignment. A procurement contract entered into under these regulations may not be assigned without the specific written approval of the Division.

307.04 Bidder protests. Any bidder who claims to be aggrieved in connection with the award of a contract by the Division may protest the action of the Division by filing a written protest as provided in these regulations, Chapter 200 Practice and Procedure.

(Sections 9-806 and 9-835, R.R.S. 2012. October 7, 2015.)

REG-308 PROSPECTIVE BIDDER SELECTION

308.01 Any firm or business conducting business within Nebraska may request placement on the approved bidder list for a particular service or commodity by filing a written request with the Division. The Division may mail copies of solicitation documents to bidders on the list for a particular item or to any other bidder which the Division chooses to contact.

308.02 A bidder may be refused placement on the list or suspended or permanently removed from the list for any of the following reasons: failure to respond to three consecutive solicitations; failure to deliver within specified delivery dates; failure to deliver in accordance with specifications; attempts to influence decisions of any state employee involved in procurement process; evidence of agreements by the bidder to restrain trade or impede competitive bidding; and any other activities of the bidder which the Division determines would render the bidder unsuitable.

308.02A The Division shall notify a bidder in writing prior to refusing placement on the list, suspending the bidder from the list, or permanently removing the bidder from the list. The bidder shall be provided a reasonable opportunity to explain and cure any misconduct identified by the Division. 408.01 Advertisements and promotion activities are a very important part of the public image of the Division. The participation in advertising and promotional activities by Lottery Game Retailers is essential to the success of the Division. Control of advertising and promotion to prevent false, misleading, or deceptive advertising or promotions is necessary to protect the public perception of honesty, fairness, and integrity of the Division.

408.01A Advertising or promotions shall not be of a nature to unduly influence any person to purchase a lottery ticket. Advertising may promote the opportunity available to win but will not promise nor imply that any person will win, or that any person who chooses not to participate has lost anything other than a chance to win.

408.01B Advertising or promotions shall not indicate that a person has a better chance of winning by purchasing a ticket at any specific location.

408.01C Advertising or promotions shall not include false, misleading or deceptive information about the Division or lottery games offered by the Division.

408.02 The Division will provide advertising and promotional materials at no cost to the Lottery Game Retailer.

408.04 No person, business or entity, including a Lottery Game Retailer shall advertise or include in any advertisement or other promotion the name of the Nebraska Lottery, the name of specific games of the Nebraska Lottery, or the logos of the Nebraska Lottery, except as specifically permitted or required by the Division.

408.04A The logo shall not be modified in any way, including a change in color, without the express written approval from the Division prior to the advertisement being used.

408.05 All lottery advertisements shall disclose the odds of winning the prize with the largest value for any lottery game in a clear and conspicuous manner. Such disclosure shall be in a font size of not less than thirty-five percent of the largest font used in the advertisement, except that for any online advertisement, such disclosure shall be in a font size of at least ten points.

(Section 9-827, 9-823 R.R.S. 2019. September 1, 2019.)

501.08 Additional Restrictions.

501.08A Distribution and sales of instant tickets shall not concentrate inventory in such a way that a mass purchase, beyond what might be considered reasonable consumer behavior, would pose a risk to the integrity and fairness of the game's distribution for public consumption or a risk of unfair prize redemption.

501.08B Draw game tickets shall not be produced or purchased in a manner intended to monopolize the sales network or overwhelm the odds of any game sold by the Nebraska Lottery, beyond what might be considered reasonable consumer behavior.

REG-502 CONDITIONS OF PARTICIPATION.

502.01 Purchase or acceptance of a ticket.

502.01A Any person who buys or accepts a lottery ticket, or otherwise participates in the Nebraska Lottery, agrees to be bound by these regulations, Division Policies, Procedures, and the Rules and Procedures applicable to the particular lottery game for which the ticket was issued.

502.01B The person acknowledges that the determination of whether a ticket is a valid winning ticket is subject to these regulations, Division Policies, Game Rules, and Procedures, including claims procedures established for the game by the Division, and any confidential or public validation tests established by the Division for that game.

502.03A When a name is placed in the designated area, the person whose name appears in that area is the owner of the ticket and is entitled to any prize attributable to that ticket, except as otherwise provided in these regulations. The Division will only make payment of a prize to the name on the ticket, notwithstanding any name submitted on the claim form.

502.03B Unless payment is otherwise delayed or denied in accordance with these regulations, the payment of any prize for an unsigned ticket will be made to the bearer of the winning ticket upon presentation of proper identification and, if the prize exceeds five hundred dollars (\$500), upon the fulfillment of all additional requirements as contained in these regulations.

502.04 Prize structure may vary. The actual number of prizes and prize structure may vary from that announced by the Division because of the omission of defective tickets in the manufacturing process, unsold tickets, the removal of tickets from inventory to perform the Division's quality control inspection procedures, ticket reorders, unclaimed prizes or other legitimate reasons.

(Sections 9-810 and 9-823, R.R.S. 2012. October 7, 2015.)

601.03A The social security number, federal employer identification number or other federal identification numbers, phone number and street address of a winner of a lottery prize are considered to be confidential information and may not be released to the public without winner's permission. 601.04B(3) The payment of any prize according to the beneficiary declaration filed with the Division, to the estate of the deceased in the absence of a declaration, or to the residual heirs of the deceased, if the estate is closed, shall absolve the Division of any further liability for the payment of any prize.

601.04C Prizes for minors. No prize shall be claimed by, redeemed from, or paid to any individual under nineteen (19) years of age. 602.01 Claim forms. Claim forms can be obtained from any office of the Division or at nelottery.com. Only official claim forms provided by the Division can be used. A claim form is required to obtain a prize in the following situations:

602.01A Any prize over \$500 claimed from any of the Division's claim centers.

602.01B The Division may require claim forms in any other situation.

602.02 Identification of winners. An individual shall provide his or her social security number if a claim form is required by these regulations.

602.03 A lottery prize claim shall be entered in the name of a person or in the name of a legal entity possessing a federal employer identification number (FEIN) issued by the Internal Revenue Service.

602.03A If the prize claimed exceeds five hundred dollars (\$500) and the claimant is a person, the claimant must provide his or her social security number or taxpayer identification number to the Division.

602.03B If the prize claimed exceeds five hundred dollars (\$500) and the claimant is a legal entity, the person who purchased the winning ticket must provide his or her social security number or taxpayer identification number to the Division. Unless the legal entity is an organization holding a certificate of exemption under Internal Revenue Code § 501c(3), the Division must also receive the social security numbers or taxpayer identification numbers of the following persons:

602.03B(1) If the legal entity is a corporation, the officers, directors, and shareholders;

602.03B(2) If the legal entity is a subsidiary, the officers, directors, and shareholders of the parent corporation;

602.03B(3) If the legal entity is a trust, the trustee, beneficiaries, and any other person entitled to receive income or benefit from the trust;

602.03B(7) Any other officer, director, official, shareholder, member, joint venture, manager, agent, employee, representative, or other person of or associated with the legal entity whom the Director determines is necessary for purposes of complying with Neb. Rev. Stat. § 9-810(5).

602.04 A claim may be entered in the name of an organization only if the organization is a legal entity and possesses a FEIN issued by the Internal Revenue Service.

602.04A If the Division, a Lottery Game Retailer, or these regulations require that a claim form be filed, the FEIN must be shown on the claim form.

602.04B A group, family unit, club, or other organization which is not a legal entity, or which does not possess a FEIN may file Internal Revenue Service Form 5754 "Statement by Person(s) Receiving Gambling Winnings," with the Division. The group, family unit, club or other organization must designate one individual in whose name the claim shall be entered, will be paid, and will have income tax withholding withdrawn from. Submission of the above IRS form attributes for tax purposes those to whom winnings and withholding are attributable.

602.04C A group, family unit, club, or other organization which is not a legal entity, or which does not possess a FEIN, and which does not file IRS Form 5754, shall designate one individual in whose name the claim shall be entered, and that person's social security number shall be furnished.

602.04C(1) If a claim is erroneously entered with multiple claimants, and the claimants fail to designate an individual recipient, or there is lack of agreement with the designation, the Division may designate one of the claimants as the sole recipient for the purpose of making payment.

602.04C(2) The claim shall then be considered as if it were originally entered in the name of the designated individual and payment of any prize won shall be made to that single individual.

602.04C(3) The payment of the prize to the designated individual shall relieve the Division of all liability for the payment of the prize.

602.04D If a claim is entered on behalf of a legal entity, group, family unit, club or other organization and a prize payment option is available, the claimant shall determine the sole method of prize payment for entire group.

602.05 Claim period. All winning instant-win game tickets must be received for payment as prescribed in these regulations within one hundred eighty (180) days after the announced end of the game, or of the drawing or event which caused the ticket to be a winning entry, whichever is later. All winning on-line game tickets must be claimed by submitting a prize claim to the Division within one hundred eighty (180) days after the drawing date.

602.05A For on-line games, the one hundred eighty (180) day period will not be prolonged even if the last day falls on a Saturday, Sunday, or legal holiday.

602.05B Tickets which have been mailed in an envelope bearing a United States Postal Service postmark on or before the last day will be deemed to have been submitted on time.

602.05C In accordance with the Servicemembers Civil Relief Act, 50 U.S.C. app. § 501 et seq., any person while in active military service may claim exemption from the one hundred eighty (180) day ticket redemption requirement. Such person, however, must claim his or her winning ticket or share as soon as practicable and in no event later than one hundred eighty (180) days after discharge from active military service.

602.06 Conditions of filing claim. The claimant by submitting a claim form agrees to the following provisions:

602.06A The discharge of Nebraska, the Department, its officials, officers and employees of all further liability upon payment of the prize;

602.06B The authorization to use the claimant's name, town of residence, and amount of prize for publicity purposes upon award of the prize;

602.06C If valid claim is not made for a prize payable directly by the lottery by the end of the period, the unclaimed prize money will be handled in the manner provided by these regulations.

602.06D A prize won by a person who purchased or received the winning ticket in violation of these regulations will be treated as an unclaimed prize under these regulations.

602.07 The Division reserves the right to require a claimant of a winning ticket to disclose the location or person from whom the claimant purchased the ticket.

602.08 For any lottery prize in excess of five hundred dollars (\$500), the Division may require the social security number of the purchaser of the winning ticket, even if the purchaser of the winning ticket is not the claimant.

602.09 For any lottery prize in excess of five hundred dollars (\$500), the Division may deny a claim when either the identity of the purchaser of the winning ticket or the chain of custody of the winning ticket has not been established to the satisfaction of the Director.

602.10 Unclaimed tickets. Any prize which has been won, but which is not claimed within one hundred eighty (180) days after the announced end of the game, shall be directed according to the discretion of the Director.

602.11 Signature on tickets. Unless otherwise provided for in the rules or procedures for a specific game, the claimant shall sign the ticket in the space provided on the ticket and complete and sign a claim form provided by the Division.

602.12 Void Tickets or Claims. Any ticket purchased or used to claim a prize in violation of Nebraska or federal law or purchased in noncompliance with the provisions of the State Lottery Act, these regulations, the game rules, or other rules or directives issued by the Director, Division, or Tax Commissioner shall be void and may not be used to claim any prize.

602.13 Prize Claim Options Final. If a prize winner is given an option regarding the method of prize payment, any payment method election becomes final and may not be revoked upon election by the prize winner. Prize winners are solely responsible for any tax consequences from their prize payment elections.

(Sections 9-810 and 9-823, R.R.S. 2012. October 7, 2015.)

603.05B The ticket shall not be altered, unreadable, reconstructed, irregular or tampered with in any way;

603.05C The ticket shall not be counterfeit in whole or in part;

603.05D The ticket shall not have been stolen from the Division, a Lottery Contractor, or Lottery Game Retailer, or appear on any list of voids or omitted tickets on file with the Division;

603.05E The ticket shall be complete and not blank or partly blank, miscut, misregistered, defective, or printed or produced in error;

603.05F Instant-win tickets shall have exactly one play symbol and exactly one caption under each of the rub-off spots, exactly one ticket number, exactly one validation code, and exactly one validation number. These items shall be present in their entirety, fully legible, right-side up, and not reversed in any manner;

603.05G Each of the symbols must be printed in the appropriate size and font and correspond exactly to the artwork on file at the Division.

603.05H Each of the play symbols on an instant-win ticket must have the caption underneath, and the caption must agree with symbol.

603.05I The validation number of an apparent winning ticket shall appear on the Division's official file of validation numbers of winning tickets provided by the applicable Lottery Contractor . A ticket with that validation number shall not have previously been paid.

603.05J With regard to on-line games, the ticket data must be:

603.05J(1) Recorded in the central computer system prior to the drawing;

603.05J(2) In agreement with the computer record data in every respect; and

603.05J(3) In the Division's official file of winning tickets and has not been previously paid.

603.05K The ticket shall pass all additional confidential validation, and security requirements set by the Division.

603.05L A ticket shall be the only valid receipt for claiming a prize. A lottery prize may not be paid without the presentation of a winning ticket. A copy of a ticket or play slip has no pecuniary or prize value and shall not constitute evidence of ticket purchase or of numbers selected.

603.05M The ticket must be issued, played, redeemed and otherwise be in compliance with all provisions of state and federal law, these regulations, and all applicable game rules and procedures.

603.06 Invalid tickets. A ticket which does not pass all the validation requirements listed in this regulation and any validation requirements contained in the procedure for its game is invalid. An invalid ticket is not eligible for any prize.

603.06A The Division may replace an invalid ticket with an unplayed ticket from the same or another game. If a defective ticket is purchased, the Division's only liability or responsibility shall be to replace the defective ticket with an unplayed ticket from the same or another game or to refund the purchase price, at the Division's option.

603.07 Mutilated or damaged tickets. If a ticket is partially mutilated or if the ticket is not intact but can still be validated by other validation tests, the Division may pay the prize for that ticket.

(Sections 9-810 and 9-823, R.R.S. 2012. October 7, 2015.)

REG-604 PAYMENTS

604.01 Lottery Game Retailers. Lottery Game Retailers are required to make payments of prizes of five hundred (\$500) or less for any winning ticket. Lottery Game Retailers are prohibited from paying any prize exceeding five hundred dollars (\$500).

604.02 Retailers Prize Payment Procedures.

604.02A Before paying a prize claim, the Lottery Game Retailer shall validate the winning ticket.

604.02A(1) Lottery Game Retailers who pay prizes without validating the ticket do so at their own financial risk. The Division shall not reimburse Lottery Game Retailers for prize claims paid in error.

604.02B If the Lottery Game Retailer is unable to validate a winning ticket, the retailer shall provide the ticket holder with a Division claim form and instruct the ticket holder on how to file a claim with the Division.

604.02C After a winning ticket is validated, the Lottery Game Retailer shall physically void the ticket to prevent it from being redeemed more than once. The manner of voiding the ticket will be prescribed by the Division.

604.02D Lottery Game Retailers may pay cash prizes in cash, by certified check, cashier's check, business check, or money order, or by any combination of these methods.

604.02D(1) If payment of a prize by a check presented to a claimant by a Lottery Game Retailer is denied for any reason, the Lottery Game Retailer is subject to the same service charges, interest, and penalty provisions that would apply if the check were made payable to the Division.

604.02D(2) A claimant whose prize check is denied shall notify the Division to obtain the prize.

604.02E Lottery Game Retailers shall pay claims for five hundred dollars (\$500) or less during all normal business hours, unless otherwise directed by the Division.

604.02F Prize claims shall be paid only at the location specified in the agreement.

604.02G Lottery Game Retailers shall redeem "free ticket" prizes or coupons as indicated in the rules of the game or promotion.

604.03 The Division shall reimburse a Lottery Game Retailer for prizes paid within one hundred eighty (180) days after a game ends.

604.04 A Lottery Game Retailer shall pay prizes up to an amount not in excess of five hundred dollars (\$500) won on tickets validated and determined by the Division to be official prize winners, regardless of where the tickets were sold.

604.05 Payment delays. The Division may refrain from making payment of the prize under Reg-503, Disputes.

604.06 Payment of prizes. The Division shall validate the winning ticket claim according to the procedures contained in these regulations.

604.06A If the claim is not valid, the Division shall notify the ticket holder promptly.

604.06B If the claim is mailed to the Division, a warrant for the prize amount, or the amount required to be paid, shall be mailed to the winner.

604.06C If the claim is presented in person, a warrant for the prize amount less applicable setoffs may be presented to the bearer.

604.07 No prize shall be paid unless the ticket and the claim form, if required, are properly completed and all required information is provided.

604.08 Payment by Division. The Division may pay prizes whenever the Lottery Game Retailer is unable to validate a claim, the prize exceeds five hundred dollars (\$500), or whenever a claim is filed with the Division. The Division shall establish policies for paying prizes including "free ticket" prizes.

604.09 One prize per ticket. The Division may specify on the ticket or within the rules or procedures for a game that a ticket will only receive one prize. Any lottery ticket bearing the words "only one prize per ticket" shall entitle the ticket holder only to the largest of any prizes won by virtue of ownership of such ticket.

604.09A Any smaller prize that has been paid prior to the awarding of a larger prize, shall be deducted from the larger prize before the larger prize is paid.

604.10 Payments in installments. Any cash prize of more than one hundred thousand dollars, (\$100,000), may be paid in multiple payments over time. The schedule of payments shall be designed to pay the winner equal dollar amounts in each year, with the exception of the first year, until the total payments equal the prize amount less

applicable setoffs. Except as provided in the specific game rules or procedures, no schedule of payments shall exceed twenty (20) years, nor shall the payments be less than fifty thousand dollars (\$50,000) a year.

604.10A Unless the rules or procedures for any specific game provide otherwise, when a prize or share is to be paid in installments, the Division may round the actual amount of the prize or share to be paid in the subsequent years to the nearest \$1,000 to facilitate purchase of an appropriate funding mechanism. The first payment shall be determined by subtracting the amount of the subsequent payments from the total prize.

604.10B If a specific game provides for split prizes or subsequent to appropriate judicial order requiring split payment of prizes, when prizes are split and more than one person is receiving payment of the prize, each payment that would have been received by a single winner may be split, or the period of time over which payments will be made, may be reduced to facilitate the purchase of an appropriate funding mechanism.

604.10B(1) The Division may determine the amounts payable in any year by using the total amount of the prize to be paid, rather than the amounts of the shares of the prize.

604.10C Except as otherwise indicated in a specific game's rules, if a prize is advertised as payable for the life of the winner, only an individual may claim the prize. If a claim is filed on behalf of a group, company, corporation, or any other type of organization, the life of the claim shall be as indicated in these regulations or as established in the game rules.

604.11 If the Division decides to pay all or a part of a prize in the form of installments over a period of years, the Division shall provide for the payment of all installments by a method established in these regulations, as set out in the game rules or as otherwise determined by the Director:

604.12 Interest is not due on payments made in subsequent years. The total payments made shall total the face amount of the prize less applicable setoffs.

604.13 Setoffs when a Legal Entity is a Lottery Prize Claimant. If a legal entity claims a lottery prize under Reg-602.03, and any person for whom social security numbers or taxpayer identification numbers are required pursuant to Reg-602.03B(1) through 602.03B(7) is identified as having an outstanding state tax liability or as owing a debt as defined in Neb. Rev. Stat. § 77-27,161, or under the Gambling Winnings Setoff for Outstanding Debt Act, the Division will credit the lottery prize against such tax liability or debt in the manner prescribed by Neb. Rev. Stat. § 9-810(5) and the Gambling Winnings Setoff for Outstanding Debt Act.

604.13A If the person who purchased the winning ticket (the purchaser) is identified as having such tax liability or debt, the Division will credit the lottery prize against such tax liability or debt in the manner prescribed by Neb. Rev. Stat. § 9-810(5) or under the Gambling Winnings Setoff for Outstanding Debt Act, unless the purchaser has donated the winning ticket to the legal entity, does not retain any share or claim to the lottery prize, and would not otherwise be required to provide a social security number or taxpayer identification number to the Division pursuant to Reg-602.03B(1) through 602.03B(7).

604.13B If more than one person is identified as having such liability or debt, the Division will credit the lottery prize against such liabilities or debts in its sole discretion.

604.14 Setoffs for Non-Cash Lottery Prizes. If a winner of a non-cash lottery prize in excess of five hundred dollars (\$500) in value is identified as having an outstanding state tax liability or as owing a debt as defined in Neb. Rev. Stat. § 77-27,161, or under the Gambling Winnings Setoff for Outstanding Debt Act, then, except as provided in Reg-604.14B, the Division will credit the value of the non-cash prize against the value of the state tax liability, ~~or~~ certified debt, or the debts outlined in the Gambling Winnings Setoff for Outstanding Debt Act. The balance of the value of the non-cash prize if any, less the withholding of any applicable state or federal tax, will then be paid to the winner and the non-cash prize will be forfeited.

604.14A The value of the non-cash lottery prize will be determined by the Division in its sole discretion, which amount will not be subject to appeal by the prize winner. In determining the value of the non-cash prize, the Division shall not include the value of any state or federal tax that would have been remitted on behalf of the winner in conjunction with the non-cash prize.

604.14B If, within five (5) business days of the date of presenting the claim to the Division, the winner pays the full amount of the state tax liability or certified debt, and evidence of such payment is established to the satisfaction of the Division, the winner will receive the non-cash lottery prize.

604.14C The winner of the non-cash lottery prize may waive the right to pay the tax liability or certified debt within five (5) business days as established in 604.14B.

(Sections 9-810 and 9-823, R.R.S. 2012. October 7, 2015.)

REG-605 GRAND PRIZES

605.01 Grand Prize Events. Any instant-win ticket game may include a grand prize or jackpot event. The game rules or procedures will include the amount of the prize or prizes, or the manner in which the amount of the prizes will be determined, the qualification criteria for participation in the grand prize or jackpot, and the manner of determining the winner.

605.02 Special drawings. The Division may establish special drawings, promotional prize drawings, bonuses, or additional prizes either independently of or concurrently with the operation of the Division.

605.02A The nature and number of prizes will be determined by the Division.

605.02B The drawing for promotional prizes may be held independently of the regular grand prize or jackpot drawings or may be incorporated with those drawings.

605.02C Guidelines for the conduct of special drawings, promotional prize drawings, bonuses, or additional prizes shall be established by the Division prior to the drawing date.

605.03 Conduct of drawings. The following guidelines will be used in the conduct of drawings for grand prizes and jackpot drawings.

605.03A Entrants in the event shall be selected from tickets which meet the criteria stated in specific game rules or procedures.

605.03A(1) If, after the event is held, the Division determines that a ticket should have been entered into the event, the Division may place that ticket into a drawing for the next equivalent game or drawing. The opportunity for a drawing in the future game is the extent of the Division's liability and the ticket holder's only remedy for the omission.

605.03B Participation in the drawings shall be limited to those tickets which are actually received and validated by the Division on or before the date announced by the Division.

605.03C The Division shall determine the dates, times, and procedures for selecting grand prize or jackpot winners for each drawing.

605.03C(1) The proceedings for selection of the winners shall be open to members of the news media and to either the general public or entrants or both.

605.03C(2) The proceedings shall be witnessed by an independent certified public accountant. The equipment shall be inspected by the independent certified public accountant and an employee or agent of the Division both before and after the drawing.

605.03C(3) The independent certified public accountant shall have received their certificate from the Nebraska Board of Accountancy.

605.03C(4) The proceedings shall be recorded with an audio track and may be broadcast as determined by the Division.

605.04 The Division may postpone any drawing to a certain date and publicize the postponement if it determines that the postponement will serve and protect the public interest.

605.05 Any finalist in a drawing who intentionally or unintentionally touches or otherwise interferes with any drawing equipment shall receive only the smallest prize available in the drawing if all participants in the drawing receive a prize. If some participants will not receive a prize, the finalist who interferes will not receive any prize.

605.05A Any direct or indirect action which is initiated by the finalist and which in any manner alters or affects the natural functioning of the drawing equipment shall constitute interference.

605.06 Drawings in an instant-win game, other than grand prize or run-off drawings shall not be held more frequently than once a week.

605.07 On-line drawings shall be conducted according to the specific on-line game rules and procedures.

(Sections 9-810 and 9-823, R.R.S. 2012. October 7, 2015.)

CHAPTER 700-POWERBALL

REG-701 GAME DESCRIPTION

701.01 General. Powerball is a five (5) out of sixty-nine (69) plus one (1) out of twenty-six (26) numbers lottery game drawn every Monday, Wednesday and Saturday as part of the Powerball Drawing, which pays the Grand Prize, at the election of the player made in accordance with these rules or by a default election made in accordance with these rules, either on an annuitized parimutuel basis or as a cash lump sum payment of the total cash held for this prize pool on a parimutuel basis. Except as provided in these regulations, all other prizes are paid on a single payment basis. Powerball Winning Numbers applicable to determine Powerball prizes will be determined in the Powerball Drawing. During the Drawing, five (5) numbers shall be drawn from the first set of sixty-nine (69) numbers, and one (1) number shall be drawn from the second set of twenty-six (26) numbers, which shall constitute the Winning Numbers. Double Play winning numbers shall not be used to determine Powerball prizes. Powerball winning numbers shall not be used to determine Double Play prizes.

To play Powerball, a player shall select (or computer pick) five (5) different numbers, between one (1) and sixty-nine (69) and one (1) additional number from one (1) through twenty-six (26). The additional number may be the same as one of the first five numbers selected by the player.

Powerball tickets ~~shall~~ can be purchased for two dollars (\$2), including any specific statutorily mandated tax of a Selling Lottery to be included in the price of a PB Play. PB Plays may be purchased from a Selling Lottery approved sales outlet in a manner as approved by the Selling Lottery and in accordance with MUSL Rules.

701.02 Claims. Unless otherwise permitted by a selling lottery, a ticket (subject to the validation requirements set forth in Reg-705 (Play Validation)) or properly registered ticketless transaction shall be the only proof of a game play or plays and the submission of a winning ticket to the issuing selling lottery or its authorized Lottery Game Retailer shall be the sole method of claiming a prize or prizes. A play slip, paper receipt or printed summation of a Play printed by a terminal which is not a ticket has no pecuniary or prize value and shall not constitute evidence of a Play purchase or of numbers selected.

701.03 Cancellations Prohibited. In all instances, a Play recorded on the computer gaming system (CGS) ~~A~~ may not be voided or canceled by returning the ticket or ticketless transaction to the selling Lottery Game Retailer or to the Division, including tickets that are misprinted, illegible, printed in error, or for any reason not successfully transferred to an authorized selling entity or player. No Powerball ticket that can be used to claim a prize shall be returned to the Division for credit. Powerball tickets accepted by Lottery Game Retailers as returned tickets will remain charged to the Lottery Game Retailer's account. Ownership of the tickets is in bearer form until the ticket is signed on the reverse side. Lottery Game Retailers who accept unsigned Powerball tickets as returned tickets and who cannot re-sell those tickets shall be deemed the owners of those tickets.

701.04 Player Responsibility. It shall be the sole responsibility of the player to verify the accuracy of the game play or plays and other data printed on the ticket or contained in a ticketless transaction. The placing of plays is done at the player's own risk through the on-line Lottery Game Retailer who is acting on behalf of the player in entering the play or plays. The purchaser of a Play or Plays through a ticketless transaction has the sole responsibility for verifying the accuracy and condition of the data at the time of purchase.

701.05 Entry of Plays. Plays may only be entered as approved by the Division. A Lottery Game Retailer shall not permit the use of play slips that are not approved by the Division. Lottery Game Retailers shall not permit any device to enter plays, except as approved by the Division.

701.06 Drawings. Drawings shall be held at the times and places established by the Product Group and the results shall be subsequently announced to the public.

701.06A The Director shall determine the time for the end of sales prior to the drawings. On-line terminals shall not process on-line tickets for that drawing after the time established by the Director.

701.06B The Product Group and Division shall designate the type of drawing equipment to be used and shall establish drawing procedures to randomly select the winning combination and to ensure the integrity of the drawing process.

701.07 Request for Plays. A lottery may conduct future sales through a subscription or other system that does not immediately record such sales on the CGS. A "Request for Play" is a sale that is not immediately recorded on the CGS, but is instead recorded onto the CGS at some future time prior to a draw event. At the sole discretion of the lottery, authorized sales through a subscription or other system which have not been recorded on the CGS (instead recorded as "Request for Plays"), may be cancelled at any time prior to the time the Request for Play is recorded as a Play on the CGS. If a Request for Play is cancelled, it shall not be recorded on the CGS. Once a Play is recorded on the CGS, it may not be cancelled at any time. Any cancelled "Request for Play" shall not be included in sales data report to MUSL. Examples of instances when Selling Lotteries may desire to permit cancellation of subscription "Request for Plays" include game matrix changes, price changes, modifications of game features, players who enroll in self-exclusion programs, and other instances as may be determined by the Selling Lottery.

701.08 Returned Plays. To promote good Player or Retailer relations, a Selling Lottery, at its sole discretion, may develop a method of compensating Players or Retailers for Plays accepted by the Selling Lottery as returned to the Selling Lottery ("Returned Plays") that are misprinted, illegible, printed in error, future Plays affected by changes in game features by the Selling Lottery or due to game cancellations. Returned Plays may not be cancelled or voided. Returned Plays are not reported to MUSL. The Selling Lottery Must remit its required prize pool contributions on all Plays accepted as returned Plays by the Selling Lottery. Returned Plays may not be claimed for a prize by any person or entity, including the Selling Lottery. Any prizes which would have been won on a Returned Play shall become an unclaimed prize at the end of the prize claim period.

701.08 Incomplete Transaction Plays. Incomplete Transaction Plays occur when a Retailer begins a Play transaction as requested by a Player, and the Play is registered on the CGS, but the transaction is terminated prior to transferring Play confirmation to the Player, there is no attempt to print the Play on a ticket, and the Player has not paid for the Play. Transaction terminations may be due to time sensitivities, communications loss or other issues as accepted by the Selling Lottery. A Selling Lottery, at its sole discretion, may develop an approved method of managing Incomplete Transaction Plays, subject to these provisions. Incomplete Transaction Plays may not be cancelled or voided. The Selling Lottery must remit its required prize pool contributions on any Incomplete Transaction Plays. At its sole discretion, the Selling Lottery may develop a method of compensation Retailers for Incomplete Transaction Plays if Retailers are required to reimburse Selling Lotteries for prize pool contributions. Incomplete Transaction Plays may not be claimed for a prize by any person or entity including the Retailer. Any prize which cannot be claimed as a prize under this Rule but would otherwise have been won on an Incomplete Transaction Play shall become an unclaimed prize at the end of the prize claim period of the drawing for which the Incomplete Transaction Play was recorded. Incomplete Transaction Plays are not reported to MUSL.

701.09 Stolen Plays. Plays reported as stolen from a Retailer that have been recovered cannot be accepted by the Selling Lottery as Returned Plays. Selling Lotteries may compensate a Retailer for the loss from theft if a Selling Lottery, solely at its discretion, determines to assume such a loss, but Stolen Plays cannot be cancelled or voided. Ownership of Stolen Plays, and whether any party has a right to claim prizes on Stolen Plays, shall be determined by the rules of the Selling Lottery.

701.10 Game Cancellation. In the event of cancellation of the Game by the Product Group prior to the occurrence of all drawings for which Plays have been sold and recorded on the CGS, the Selling Lottery may provide a refund mechanism for such Plays to the Players, and the Selling Lottery shall not be required to remit its prize pool contributions for any such refunded Plays.

701.11 Selling Lotteries Prohibited from Claiming Prizes. Selling Lotteries and lottery officials are prohibited from claiming any prizes on Plays that are owned by the Selling Lottery through "Returned Plays" or otherwise acquired and held by the Selling Lottery. Any prizes that would otherwise be won on Plays owned or acquired by Selling Lotteries shall become unclaimed prizes at the end of the prize claim period.

701.12 Registration of Plays. Ticketless transaction Plays may be registered with the Selling Lottery in a manner that meets the requirements established by the Product Group, the Selling Lottery, and the MUSL Rules.

701.13 Maximum Purchase. Except for a ticketless transaction Play purchase when the lottery has a process in place to allow players to make changes to their Play purchases in the event of a game change, the maximum number of consecutive Drawings on a single Play purchase is thirty-six (36). The maximum number of consecutive Drawings encompassed by a ticketless transaction Play purchase when the lottery has a process in place to allow players to make changes to their Play purchases in the event of a game change is one hundred fifty-six (156). The maximum number of Drawing purchases may be further limited by the Selling Lottery Director.

701.14 Matrix Changes. In the event of a matrix change, the Selling Lottery that issued the ticketless transaction will determine the option(s) available to ticketless transaction purchasers from that Selling Lottery for the balance of Plays remaining on their ticketless transactions effective as of the date of the matrix change.

701.15 Emergency Rule-making Authority. Pursuant to the Product Group's fiduciary duties, it may become necessary for the Product Group to adopt rule changes or modifications to protect the integrity of the game in response to an imminent crisis or emergency. Such rule changes or modifications shall take into effect immediately, or otherwise as indicated by the Product Group, without prior notification to players or the public.

(Sections 9-803 and 9-823, R.R.S. 2012. October 7, 2015.)

REG-702 POWERBALL PRIZE POOL

702.01 Prize Pool. The prize pool for all prize categories shall consist of fifty percent (50%) of each drawing period's Powerball sales, inclusive of any specific statutorily mandated tax of a selling lottery to be included in the price of a PB Play, and including contributions to the prize pool accounts and prize reserve accounts; prize pool contribution requirements shall be based on the sales price for Plays as established by the Group, not on the amount collected by the Selling Lottery after deducting for statutorily mandated taxes.

702.02 Powerball Prize Pool Accounts and Prize Reserve Accounts.

The Product Group shall set the contribution rates to the prize pool and to one or more prize reserve or pool accounts established by this rule.

702.02A The following prize reserve accounts for the Powerball game are hereby established:

702.02A(1)the Prize Reserve Account (PRA), which is used to guarantee the payment of valid, but unanticipated, Grand Prize claims that may result from a system error or other reason; and

702.02A(2)the Set Prize Reserve Account (SPRA), which is used to fund deficiencies in low-tier Powerball prize payments (subject to the limitations of these regulations).

702.02B The following prize pool accounts for the Powerball game are hereby established:

702.02B(1)the Grand Prize Pool (GPP), which is used to fund the current Grand Prize;

702.02B(2)the Set Prize Pool (SPP), which is used to fund the Set Prizes. The SPP shall hold the temporary balances that may result from having fewer than expected winners in the Set Prize (aka low-tier prize) categories. The source of the SPP is the Party Lottery's weekly prize contributions less actual Set Prize liability;

702.02B(3)the Set-Aside Pool (SAP), which is used to fund the payment of the awarded minimum starting annuity Grand Prizes and minimum annuity Grand Prize increase, if necessary (subject to the limitations in these regulations), as may be set by the Product Group; and

702.02B(4)the Grand Prize Carry Forward Pool (GPCFP), which is used to fund the starting minimum annuity Grand Prize, as may be set by the Product Group, if such funds are available, and if sales do not fund the Grand Prize.

702.02C The above prize reserve accounts, the GPCFP and the SAP shall have maximum balance amounts or balance limiter triggers that are set by the Product Group.

The maximum balance amounts and balance limit triggers are subject to review by the MUSL Board Finance and Audit Committee. The Finance and Audit Committee shall have two weeks to state objections, if any, to the approved maximum balance amounts or balance limiter triggers. Approved maximum balance amounts or balance limiter triggers shall become effective no sooner than two weeks after notice is given to the Finance and Audit Committee and no objection is stated or sooner if the Committee affirmatively approves the maximum balance amounts or balance limiter triggers. The Group may appeal the Committee's objections to the full Board. Group approved changes in the maximum balance amounts or balance limiter triggers set by the Product Group shall be effective only after the next Grand Prize win.

702.02D The maximum contribution rate to the GPP shall be 68.0131% of the prize pool (34.0066% of sales) except as provided in Rule 30.7(d).

An amount up to five percent (5%) of a Party Lottery's sales shall be deducted from a Party Lottery's GPP contribution and placed in trust in one or more prize pool accounts and prize reserve accounts held by the Product Group (hereinafter the "prize pool and reserve deduction") at any time that the prize pool accounts and Party Lottery's share of the prize reserve accounts(s) is below the amounts designated by the Product Group.

An additional amount up to twenty percent (20%) of a Party Lottery's sales shall be deducted from a Party Lottery's GPP contribution and placed in trust in the GPCFP to be held by the Product Group at a time as determined by the Product Group.

702.02E The Product Group may determine to expend all or a portion of the funds in the Powerball prize pool accounts (except the Grand Prize Pool account and the GPCFP) and the prize reserve accounts:

702.02E(1) for the purpose of indemnifying the Party Lotteries and Licensee Lotteries in the payment of prizes to be made by the Selling Lotteries; and

702.02E(2) for the payment of prizes or special prizes in the game, limited to prize pool and prize reserve contributions from lotteries participating in the special prize promotion, subject to the approval of the Board's Finance & Audit Committee or that Committee's failure to object after given two weeks' notice of the planned action, which actions may be appealed to the full Board by the Product Group.

The GPCFP may only be expended to fund the starting minimum annuity Grand Prize.

702.02F The prize reserve shares of a Party Lottery may be adjusted with refunds to the Party Lottery from the prize reserve account(s) as may be needed to maintain the approved maximum balance and sales percentage shares of the Party Lotteries.

702.02G A Party Lottery may contribute to its sales percentage share of prize reserve accounts over time, but in the event of a draw down from the reserve account, a Party Lottery is responsible for its full sales percentage share of the account, whether or not it has been paid in full.

702.02H Any amount remaining in the Powerball prize pool accounts or prize reserve accounts when the Product Group declares the end of the game shall be returned to the lotteries participating in the accounts after the end of all claim periods of all Selling Lotteries, carried forward to a replacement game, or otherwise expended in a manner at the election of the individual Members of the Product Group in accordance with jurisdiction statute.

702.03 Expected Prize Payout Percentages. The Grand Prize payout shall be determined on a pari-mutuel basis. Except as otherwise mandated by jurisdiction statute or judicial requirements, all other Powerball prizes awarded shall be paid as single payment prizes. All prize payouts are made with the following expected prize payout percentages, although the prize payout percentage per draw may vary:

Number of Matches Per Play	Prize Payment	Prize Pool % Allocated to Prize
All (5) of first set Plus (1) of second set	Grand Prize	68.0131%*
All (5) of first set & none of second set	\$1,000,000	8.5558%
Any (4) of first set Plus (1) of second set	\$50,000	5.4757%
Any (4) of first set & none of second set	\$100	0.2738%
Any (3) of first set Plus (1) of second set	\$100	0.6899%
Any (3) of first set & none of second set	\$7	1.2074%
Any (2) of first set Plus (1) of second set	\$7	0.9981%
Any (1) of first set Plus (1) of second set	\$4	4.3489%
None of first set Plus (1) of second set	\$4	10.4373%

* The maximum contribution rate may include contributions to reserves and pools as described in these regulations.

702.03A Prize money allocated to the Grand Prize category shall be divided equally by the number of plays winning the Grand Prize.

702.03B Powerball Set Prize Pool Carried Forward. For Party Lotteries, the Powerball SPP (for cash prizes of one million dollars (\$1,000,000.00) or less) shall be carried forward to subsequent draws if all or a portion of it is not needed to pay the Powerball Set Prizes awarded in the current draw.

702.03C Pari-Mutuel Powerball Prize Determinations. Except as provided for in 702.03C(3), for Party Lotteries:

702.03C(1) If the total of the Powerball Set Prizes (as multiplied by the respective Power Play multiplier if applicable) awarded in a drawing exceeds the percentage of the prize pool allocated to the Powerball Set Prizes, then the amount needed to fund the Powerball Set Prize, including Power Play prizes, awarded shall be drawn from the following sources, in the following order:

702.03C(1)(i) the amount available in the SPP and the Power Play Prize Pool, if any;

702.03C(1)(ii) an amount from the SPRA, if available, not to exceed forty million dollars (\$40,000,000.00) per drawing; and

702.03C(1)(iii) other amounts as agreed to by the Product Group in their sole discretion.

702.03C(2) If, after these sources are depleted, there are not sufficient funds to pay the Set Prizes awarded, including Power Play prizes, then the highest Set Prize shall become a pari-mutuel prize. If the amount of the highest Set Prize, when paid on a pari-mutuel basis, drops to or below the next highest Set Prize and there are still not sufficient funds to pay the remaining Set Prizes awarded, then the next highest

Set Prize shall become a pari-mutuel prize. This procedure shall continue down through all Set Prize levels, if necessary, until all Set Prize levels become pari-mutuel prize levels.

702.03C(3) By agreement with the Licensee Lotteries, the Licensee Lotteries shall independently calculate their Set Prize pari-mutuel prize amounts. The Party Lotteries and the Licensee Lotteries shall then agree to set the pari-mutuel prize amounts for all lotteries selling the game at the lesser of the independently calculated prize amounts.

REG-704 POWERBALL PRIZE PAYMENT

704.01 Powerball Grand Prizes. Powerball Grand Prizes shall be paid, at the election of the player made no later than sixty (60) days after the player is entitled to the prize, with either a per winner annuity or single lump sum payment (which may be referred to as the "cash option"). If the payment election is not made at the time of purchase and is not made by the player within sixty (60) days after the player becomes entitled to the prize, then the prize

shall be paid as an annuity prize. An election for an annuity payment made by a player before ticket purchase or by system default or design may be changed to a cash option payment at the election of the player until the expiration of sixty (60) days after the player becomes entitled to the prize. The election to take the cash option payment may be made at the time of the prize claim or within sixty (60) days after the player becomes entitled to the prize. An election made after the winner becomes entitled to the prize is final and cannot be revoked, withdrawn, or otherwise changed.

The Powerball Grand Prize available in the GPP shall be determined by dividing the funds available in the GPP on a pari-mutuel basis among all winning PB Plays of the Powerball Grand Prize as described in these Rules.

Winner(s) who elect a cash option payment shall be paid their share(s) in a single lump sum payment. The annuitized option prize shall be determined by multiplying a winner's share of the Powerball Grand Prize pool by a process as approved by the MUSL Board.

Neither MUSL nor the Selling Lotteries shall be responsible or liable for changes in the advertised or estimated annuity prize amount and the actual amount purchased after the prize payment method is actually known to MUSL.

In certain instances announced by the Product Group, the Powerball Grand Prize shall be a guaranteed amount and shall be determined pursuant to Rule 30.5.

If individual shares of the GPP funds held to fund an annuity is less than \$250,000.00, the Product Group, in its sole discretion, may elect to pay the winners their share of the funds held in the GPP.

All annuitized prizes shall be paid annually in thirty (30) payments with the initial payment being made in a single payment ~~cash~~, to be followed by twenty-nine payments funded by the annuity. Except as may be controlled by the State Lottery Act, all annuitized prizes shall be paid annually in thirty (30) graduated payments (increasing each year) by a rate as determined by the Product Group. Prize payments may be rounded down to the nearest one thousand dollars (\$1,000). Annual payments after the initial payment shall be made by the Division on the anniversary date or if such date falls on a non-business day, then the first business day following the anniversary date of the selection of the Grand Prize Winning Numbers.

Funds for the initial payment of an annuitized prize shall be made available by MUSL for payment by the selling lottery ~~by~~ no earlier than the fifteenth calendar day following the drawing. If necessary, when the due date for the payment of a prize occurs before the receipt of funds in the prize pool trust sufficient to pay the prize, the transfer of funds for the payment of the full lump sum cash amount may be delayed pending receipt of funds from the selling lotteries. A paying lottery may elect to make the initial payment from its own funds after validation, with notice to MUSL.

If a Party Lottery purchases or holds the prize payment annuity for a prize won in that jurisdiction, that Party Lottery's game rules, and any prize payment agreement with the prize winner, shall indicate that the prize winner has no recourse on the MUSL or any other Party Lottery for payment of that prize.

In the event of the death of a lottery winner during the annuity payment period, unless prohibited by jurisdictional law, the MUSL Finance & Audit Committee, in its sole discretion excepting a discretionary review by the Product Group, upon the petition of the estate of the lottery winner (the "Estate") to the lottery of the state in which the deceased lottery winner purchased the winning PB Play, and subject to federal, state, or district applicable law, may accelerate the payment of all the remaining lottery proceeds to the Estate. If such a determination is made, then securities and/or cash held to fund the deceased lottery winner's annuitized prize may be distributed to the Estate. The identification of the securities to fund the annuitized prize shall be at the sole discretion of the Finance & Audit Committee or the Product Group.

704.01A Powerball Grand Prize winners who first became entitled to their Grand Prizes prior to October 21, 1998, and who are still receiving payment of their prize via annual payment, may elect to redeem their Grand Prize annual payments for a single lump sum payment.

704.01B Grand Prize winners who elect to redeem their Grand Prizes for a single lump sum payment will receive the proceeds from the sale of securities held by the Product Group. Upon request of the Grand Prize winner and the Division, the Product Group shall specify which securities would be sold in redemption of the Grand Prize winners' Grand Prize.

704.01C Grand Prize winners interested in making the above election must submit a written request to the Director. The written request must indicate a securities purchaser selected by the Grand Prize winner, a sale date for the securities, and a financial institution account where the proceeds from the sale of securities is to be transferred. Grand Prize Winners making this election must sign a release form designed by the Division releasing the Product Group, MUSL, the Division, the State of Nebraska, and any and all employees and officers of those entities from any liabilities arising from exercise of the Grand Prize winner's election.

704.01D The Product Group shall sell the securities to the purchaser indicated by the Grand Prize winner on the date the Grand Prize winner indicated. The Product Group shall transfer the amount received from the sale to the State of Nebraska. The State of Nebraska shall transfer the amount received from the ~~MUSL Powerball~~ Product Group, less applicable withholding tax and setoff amounts, to the Grand Prize winner's indicated financial institution account.

704.01E Players must make this election by December 31, 2000. Players not making this election prior to December 31, 2000, will continue to receive their Grand Prize via annual payment according to the original terms of their Grand Prize.

704.02 First Prize for Double Play. The Double Play First Prize is a fixed, non-annuitized value of \$10 million for each Double Play Drawing.

If, in any Double Play drawing there are no DP Plays that qualify for the first Prize category, the portion of the prize fund allocated to such First Prize category shall remain in the First Prize pool for the next Double Play drawing.

Funds for the payment of a First Prize shall be made available by MUSL for payment by the Selling Lottery on a schedule approved by the Product Group. If necessary, when the due date for the payment of a First Prize occurs before the receipt of funds in the FPP trust sufficient to pay the prize, the transfer of funds for the payment of the First Prize may be delayed pending receipt of funds from the Selling Lotteries participating in the Double Play Promotion. A Selling Lottery may elect to make the First Prize payment from its own funds after validation, with notice to MUSL.

704.03 Set Prize and Process for Prize Payments. A selling lottery may begin paying low-tier cash prizes after receiving authorization to pay from the MUSL central office. If a selling lottery, due to jurisdictional law requirements, separately determines its low-tier cash prize amounts, it shall be solely responsible for its low-tier cash prize liability and may begin paying low-tier cash prizes after a drawing when it determines appropriate to do so. All prizes (whether described as "cash" payment prizes or otherwise) shall be paid through the Selling Lottery that sold the winning Play(s) and at the discretion of the Selling Lottery that sold the winning Play(s) may be paid by cash, check, warrant or electronic transfer.

704.04 Powerball Prizes Rounded. Annuitized payments of the Powerball Grand Prize or a share of the Powerball Grand Prize may be rounded to facilitate the purchase of an appropriate funding mechanism. Breakage on an annuitized Powerball Grand Prize win shall be added to the first cash payment to the winner or winners. Prizes, other than the Powerball Grand Prize, which, under these regulations, may become single payment, parimutuel prizes, may be rounded down so that prizes can be paid in multiples of whole dollars. Except with regards to low-tier cash prizes paid by a selling lottery which separately determines its low-tier cash prize amounts pursuant to Product Group Rule 30.23, breakage resulting from rounding these prizes shall be carried forward to the prize pool for the next drawing.

704.05 Powerball Rollover. If the Powerball Grand Prize is not won in a drawing, the prize money allocated for the Grand Prize shall roll over and be added to the GPP for the following drawing.

704.06 Funding of Guaranteed Powerball Prizes.

704.06A The Product Group may offer guaranteed minimum Grand Prize amounts or minimum increases in the Grand Prize amount between drawings or make other changes in the allocation of prize money where the Product Group finds that it would be in the best interest of the game.

704.06B If a minimum Grand Prize amount or a minimum increase in the Grand Prize amount between drawings is offered by the Product Group, then the Grand Prize shares shall be determined as follows:

704.06B(1) If there are multiple Grand Prize winners during a single drawing, each selecting the annuitized option prize, then a winner's share of the guaranteed annuitized Grand Prize shall be determined by dividing the guaranteed annuitized Grand Prize by the number of Grand Prize winning PB plays;

704.06B(2) If there are multiple Grand Prize winners during a single drawing and at least one (1) of the Grand Prize winners has elected the annuitized option prize, then the MUSL Annuity Factor shall be utilized to determine the cash pool. The cost of the annuitized prize(s) will be determined at the time the annuity is purchased through a process as approved by the MUSL Board;

704.06B(3) If no winner of the Grand prize during a single drawing has elected the annuitized option prize, then the amount of cash in the GPP shall be an amount equal to the guaranteed annuitized amount divided by the MUSL Annuity Factor.

704.06C Minimum guaranteed prizes or increases may be waived if the alternate funding mechanism set out in Reg. 702.03C becomes necessary. Approval of the Group is required to change the guaranteed minimum Grand Prize amounts or minimum increases in the Grand Prize amount. The Group may increase, decrease or eliminate the guaranteed minimum Grand Prize amount of any announced minimum Grand Prize increases effective at any time following the next drawing following the action taken by the Group.

704.06D Funding of Guaranteed Grand Prizes. If the amount in the GPP, GPCFP and SAP and contributions from Licensee Lotteries who are not participating in the PRA are insufficient to fund the amount required by awarded Guaranteed Grand Prize(s), then the PRA, and thereafter contributions from individual Member Lotteries and Licensee Lotteries participating in the PRA, may be required to fund Guaranteed Grand Prize award deficiencies. Contributions from the PRA shall first be utilized, and then contributions from individual Member Lotteries and Licensee Lotteries participating in the PRA if necessary.

Contributions required from the PRA or from Member Lotteries and Licensee Lotteries participating in the PRA shall be determined on a pro rata basis based on sales since the most recent Grand Prize win.

704.067 Limited to Highest Powerball Prize Won. The holder of a winning PB Play may win only one (1) prize per PB Play in connection with the winning Powerball numbers drawn for the Powerball game, and shall be entitled only to the prize won by those numbers in the highest matching prize category.

The holder of a winning DP Play may win only one (1) prize per Play in connection with the winning numbers drawn for the Double Play game, and shall be entitled only to the prize won by those numbers in the highest matching prize category.

A player may win both a PB prize and also a DP prize if the player purchased the DP add-on option to the Powerball Play, and if the PB Play and the DP Play match the winning numbers drawn for both the Powerball game and the Double Play game.

All liabilities for a Powerball prize, a Power Play prize, and a Double Play prize are discharged upon payment of a prize claim.

704.07 Prize Claim Period. Prize claims shall be submitted within the period set forth in these regulations.

(Section 9-823, R.R.S. 2012. October 7, 2015.)

REG-705 POWERBALL TICKET VALIDATION

705.01 Powerball Ticket Validation. To be a valid Play and eligible to receive a prize, a Play's ticket or ticketless transaction shall satisfy all the requirements established by a Selling Lottery for validation of winning Plays sold through its CGS and any other validation requirements adopted by the Group, the MUSL Board and published as the Confidential MUSL Minimum Game Security Standards. The MUSL and Selling Lotteries shall not be responsible for tickets or ticketless transactions which are altered in any manner.

705.02 Under no circumstances will a claim be paid for any prize without an official ticket (or validly registered ticketless transaction) matching all game Play, serial number and other validation data residing in the Selling Lottery's CGS and such ticket (or validly registered ticketless transaction) shall be the only valid proof of the wager placed and the only valid receipt for claiming or redeeming such prize.

705.03 In addition to the above, in order to be deemed a valid, winning Play, unless the Play is a validly registered ticketless transaction, all of the following conditions must be met:

705.03A The validation data must be present in its entirety and must correspond, using the computer validation file, to the number selections printed on the ticket for the Drawing date(s) printed on the ticket;

705.03B The ticket must be intact;

705.03C The ticket must not be mutilated, altered, reconstituted, or tampered with in any manner;

705.03D The ticket must not be counterfeit or an exact duplicate of another winning ticket;

705.03E The ticket must have been issued by an authorized sales agent, or retailer of the Selling Lottery and printed on paper in compliance with MUSL Rule 2;

705.03F The ticket must not have been stolen, to the knowledge of the Selling Lottery;

705.03G The Play data must have been recorded on the Selling Lottery's CGS prior to the Drawing and the Play data must match this computer record in every respect. In the event of a conflict between information as printed on the ticket and as accepted by the Selling Lottery's CGS, the wager accepted by the Selling Lottery's CGS shall be the valid wager;

705.03H The player or computer pick number selections, validation data and the Drawing date(s) of an apparent winning Play must appear on the official file of winning Plays, and a Play with that exact data must not have been previously paid;

705.03I The play must not be mis-registered, and the Play's ticket must not be defectively printed or printed or produced in error to an extent that it cannot be processed by the Selling Lottery that issued the Play;

705.03J In submitting a Play for validation, the claimant agrees to abide by applicable laws, all rules and regulations, instructions, conditions and final decisions of the Director of the Selling Lottery that issued the Play;

705.03K There must not be any other breach of these Powerball Game Rules in relation to the Play that, in the opinion of the Director of the Selling Lottery that issued the Play, justifies invalidation.

705.03L The Play must be submitted to the Selling Lottery that issued it.

705.03M Ticketless transaction Plays must meet the validation requirements of the Selling Lottery that issued the Play.

705.04 A Play submitted for validation that fails any of the validation conditions shall be considered void, subject to the following determinations:

705.04A In all cases of doubt, the determination of the Selling Lottery shall be final and binding; however, the Selling Lottery may, at their option, replace an invalid Play with a Play of equivalent sales price;

705.04B In the event a defective ticket is purchased or in the event the Selling Lottery determines to adjust an error, the Claimant's sole and exclusive remedy shall be the replacement of such defective or erroneous ticket(s) with a Play of equivalent sales price;

705.04C In the event a Play is not paid by a Selling Lottery and a dispute occurs as to whether the Play is a winning Play, the Selling Lottery may, at its option, replace the Play as provided in paragraph (i) of this subsection. This shall be the sole and exclusive remedy of the Claimant unless the laws or regulations governing the Selling Lottery provide for further administrative review.

(Section 9-823, R.R.S. 2012. October 7, 2015.)

REG-706 TICKET RESPONSIBILITY

706.01 Prize Claims. Prize claim procedures shall be governed by the rules of the selling lottery. The MUSL and the Selling Lotteries shall not be responsible for prizes that are not claimed following the proper procedures as determined by the selling lottery.

706.02 Signature. Until such time as a signature is placed upon a Powerball ticket in the area designated for signature, a Powerball ticket shall be owned by the bearer of the Powerball ticket. When a signature is placed on the Powerball ticket in the place designated, the person whose signature appears in such area shall be the owner of the Powerball ticket and shall be entitled to any prize attributable thereto, except as otherwise provided in these regulations.

706.03 Stolen Tickets. The Product Group, the MUSL and the Selling Lotteries shall not be responsible for lost or stolen tickets.

706.04 Ticketless Transactions. A Ticketless Transaction Play is only valid when registered with the lottery in accordance with lottery rules, these Rules and the MUSL Rules. The person or, if permitted by the lottery rules, the persons registering the Play shall be the owner of the Ticketless Transaction Play. A receipt for a Ticketless Transaction Play has no value and is not evidence of a Play.

706.05 The MUSL and the Participating Lotteries shall not be responsible to a prize claimant for Plays redeemed in error by a selling agent, sales agent or retailer.

706.05 Winners are determined by the numbers drawn and certified by the independent auditor responsible for auditing the Powerball and Double Play Drawings. MUSL and the Participating Lotteries are not responsible for winning numbers reported in error.

(Section 9-823, R.R.S. 2012. October 7, 2015.)

REG-707 INELIGIBLE PLAYERS

707.01 General. A Play or share for the Powerball game issued by any of its party lotteries shall not be purchased by, and a prize won by any such Play or share shall not be paid to:

707.01A A MUSL employee, officer or director,

707.01B A contractor or consultant under agreement with MUSL to review the MUSL audit and security procedures,

707.01C An employee of an independent accounting firm under contract with MUSL to observe drawings or site operations and actually assigned to the MUSL account and all partners, shareholders, or owners in the local office of the firm, or

707.01D An immediate family member (parent, stepparent, child, stepchild, spouse, or sibling) of an individual described in REG 707.01A, 707.01B, 707.01C and 707.01D and residing in the same household.

(Sections 9-810 and 9-823, R.R.S. 2012. October 7, 2015.)

REG-708 APPLICABLE LAW

708.01 General. In purchasing a Play, or attempting to claim a prize, purchasers and prize claimants agree to comply with and abide by all applicable laws, rules, regulations, procedures, and decisions of the Division, and by directives and determinations of the Director.

A prize claimant agrees, as its sole and exclusive remedy, that claims arising out of a Play can only be pursued against the Selling Lottery which issued the Play. Litigation, if any, shall only be maintained within the jurisdiction in which the Powerball Play was purchased and only against the Selling Lottery that issued the play. No claim shall be made against any other Participating Lottery or against MUSL.

Nothing in these regulations shall be construed as a waiver of any defense or claim the Selling Lottery which issued the Play, any other Participating Lottery or MUSL may have in any litigation, including in the event a player or prize claimant pursues litigation against the Selling Lottery, any other Participating Lottery or MUSL, or their respective officers, directors or employees.

All decisions made by a Selling Lottery, including the declaration of prizes and the payment thereof and the interpretation of Powerball Rules, shall be final and binding on all Play purchasers and on every person making a prize claim in respect thereof, but only in the jurisdiction where the Powerball Play was issued.

Unless the laws, rules, regulations, procedures, and decisions of the Lottery which issued the Play provide otherwise, no prize shall be paid upon a Play purchased, claimed or sold in violation of these regulations or the laws, rules, regulations, procedures, and decisions of that Selling Lottery; any such prize claimed but unpaid shall constitute an unclaimed prize under these regulations and the laws, rules, regulations, procedures, and decisions of that Selling Lottery.

(Section 9-823, R.R.S. 2012. May 31, 1994.)

REG-709 Repealed. (Section 9-803, 9-823, R.R.S. 1997. October 23, 1997.)

REG-710 POWER PLAY

710.01 Promotion Description. The Powerball Power Play promotion is a limited extension of the Powerball game and is conducted in accordance with the Powerball game rules and other lottery rules applicable to the Powerball game except as may be amended herein. The promotion will begin at a time announced by the Division and will continue until discontinued by the Division. The promotion will offer to the owners of a qualifying play a chance to increase the amount of any of the eight lowest Set Prizes (the prizes normally paying \$4 to \$1,000,000) won in a drawing held during the promotion. The Grand Prize is not a Set Prize and will not be increased. Power Play is not applicable to the Powerball Double Play Promotion.

710.02 Qualifying Play. A qualifying play is any single Powerball play for which the player pays an extra dollar for the Power Play option, and which is recorded at the Party Lottery's central computer as a qualifying Power Play play.

710.03 Prizes to be increased. Except as provided in these regulations, a qualifying play which wins one of seven lowest Set Prizes (excluding the Match 5+0 prize) will be multiplied by the number selected, either two, three, four, five, or sometimes ten (2, 3, 4, 5, or sometimes 10), in a separate random Power Play drawing announced during the official Powerball drawing show. The ten (10X) multiplier will be available for drawings in which the initially advertised annuitized Grand Prize amount is one hundred fifty million dollars (\$150,000,000) or less. The announced Match 5+0 prize, for players selecting the Power Play option, shall be paid two million dollars (\$2,000,000.00) unless a higher limited promotional dollar amount is announced by the Group.

710.03A Power Play Draws. MUSL will conduct a separate random "Power Play" drawing and announce results during each of the regular Powerball drawings held during the promotion. During each Powerball drawing a single number (2, 3, 4, 5, and sometimes 10) shall be drawn. The ten (10X) multiplier shall be available for all drawings in which the initially advertised Grand Prize amount is one hundred fifty million dollars (\$150,000,000) or less. The Powerball Group may modify the multiplier features for special promotions from time to time.

710.04 Power Play Prize Pool.

710.04A The Power Play Prize Pool (PPP) is hereby created, which is used to fund Power Play prizes. The PPP shall hold the temporary balances that may result from having fewer than expected winners in the Power Play. The source of the PPP is the Party Lottery's weekly prize contributions less actual Power Play Prize liability.

710.04B In total, fifty percent (50%) of each draw's sales shall be collected for the payment of prizes:

710.04B(1) In drawings where the ten (10X) multiplier is available, the expected payout for all prize categories shall consist of up to forty-nine and nine hundred sixty-nine thousandths' percent (49.969%) of each drawing period's sales, including any specific statutorily mandated tax of a Selling Lottery to be included in the price of a lottery ticket. In drawings where the "ten (10X)" multiplier is not available, the expected payout for all prize categories shall consist of up to forty-five and nine hundred thirty-four thousandths' percent (45.934%) of each drawing period's sales, including any specific statutorily mandated tax of a Selling Lottery to be included in the price of a ticket.

710.04B(2) In drawings where the ten (10X) multiplier is available, an additional thirty-one thousandths' percent (0.031%) of each drawing period's sales, including any specific statutorily mandated tax of a Selling Lottery to be included in the price of a lottery ticket, may be collected and placed in trust in the PPP, for the purpose of paying Power Play prizes. In drawings where the ten (10X) multiplier is not available, an additional four and sixty-six thousandths' percent (4.066%) of each drawing period's sales, including any specific statutorily mandated tax of a Selling Lottery to be included in the price of a lottery ticket, may be collected and placed in trust in the PPP, for the purpose of paying Power Play prizes.

710.04C The prize payout percentage per draw may vary. The PPP shall be carried forward to subsequent draws if all or a portion of it is not needed to pay the Power Play prizes awarded in the current draw and held in the PPP.

710.04D Any amount remaining in the Power Play pool account at the end of this game shall be returned to all lotteries participating in the account after the end of all claim periods of all Selling Lotteries, carried forward to a replacement game, or expended in a manner as directed by the Members of the Product Group in accordance with jurisdiction statute.

710.04E Expected Prize Payout.

Prize Amount		Regardless of Power Play number selected:				
Match 5+0	\$1,000,000	\$2,000,000	\$2,000,000	\$2,000,000	\$2,000,000	\$2,000,000
	Set Prize Amount	10X	5X	4X	3X	2X
Match 4+1	\$50,000	\$500,000	\$250,000	\$200,000	\$150,000	\$100,000
Match 4+0	\$100	\$1,000	\$500	\$400	\$300	\$200
Match 3+1	\$100	\$1,000	\$500	\$400	\$300	\$200
Match 3+0	\$7	\$70	\$35	\$28	\$21	\$14
Match 2+1	\$7	\$70	\$35	\$28	\$21	\$14
Match 1+1	\$4	\$40	\$20	\$16	\$12	\$8
Match 0+1	\$4	\$40	\$20	\$16	\$12	\$8

In certain rare instances, the Powerball set prize amount may be less than the amount shown. In such case, the eight (8) lowest Power Play prizes will be changed to an amount announced after the draw. For example, if the Match 4+1 Powerball set prize amount of \$50,000.00 becomes \$25,000.00 under the rules of the Powerball game and a 5x Power Play multiplier is selected, then a Power Play player winning that prize amount would win \$125,000.00.

710.04F Probability of Winning. The following table sets forth the probability of the various Power Play numbers being drawn during a single Powerball drawing, except that the Power Play amount for the Match 5+0 prize will be two million dollars (\$2,000,000). The Group may elect to run limited promotions that may modify the multiplier features.

Power Play	Probability of Prize Increase	Chance of Occurrence
10X - Prize Won Times 10	1 in 43	2.3255%
5X - Prize Won Times 5	2 in 43	4.6512%

Power Play does not apply to the Powerball Grand Prize. Except as provided in Rule E(4), a Power Play Match 5 prize is set at two million dollars (\$2 million), regardless of the multiplier selected.

710.05 Limitations on payment of Power Play prizes.

710.05A Prize Pool Carried Forward. For Party Lotteries, the prize pool percentage allocated to the Power Play set prizes shall be carried forward to subsequent draws if all or a portion of it is not needed to pay the set prizes awarded in the current draw.

710.05B Pari-Mutuel Prizes—All Prize Amounts. Except as provided for in REG-710.05B(3):

710.05B(1) If the total of the original Powerball set prizes and the multiplied Power Play set prizes awarded in a drawing exceeds the percentage of the prize pools allocated to the set prizes, then the amount needed to fund the set prizes (including the Power Play Prize amounts) awarded shall be drawn from the following sources, in the following order:

710.05B(1)(i) The amount available in the SPP and the PPP, if any;

710.05B(1)(ii) an amount from the Powerball SPRA, if available in the account, not to \$40,000,000 per drawing; and

710.05B(1)(iii) other amounts as agreed to by the Product Group in their sole discretion.

710.05B(2) If, after these sources are depleted, there are not sufficient funds to pay the set prizes awarded (including Power Play prize amounts), then the highest set prize (including the Power Play prize amounts) shall become a pari-mutuel prize. If the amount of the highest set prize, when paid on a pari-mutuel basis, drops to or below the next highest set prize and there are still not sufficient funds to pay the remaining set prizes awarded, then the next highest set prize, including the Power Play prize amount, shall become a pari-mutuel prize. This procedure shall continue down through all set prize levels, if necessary, until all set prize levels become pari-mutuel prize levels. In that instance, the money available from the funding sources listed in this rule shall be divided among the winning plays in proportion to their respective prize percentages. Powerball and Power Play prizes will be reduced by the same percentage.

710.05B(3) By agreement with the Licensee Lotteries, the Licensee Lotteries shall independently calculate their set pari-mutuel prize amounts, including the Power Play prize amounts. The Party Lotteries and the Licensee Lotteries shall then agree to set the pari-mutuel prize amounts for all lotteries selling the game at the lesser of the independently calculated prize amounts.

710.06 Prize Payments. All Power Play prizes shall be paid in one ~~lump sum~~ single payment through the Selling Lottery that sold the winning ticket(s). A Selling Lottery may begin paying Power Play prizes after receiving authorization to pay from the MUSL central office.

710.06A Prizes Rounded. Prizes, which, under these regulations, may become pari-mutuel prizes, may be rounded down so that prizes can be paid in multiples of whole dollars. Breakage resulting from rounding these prizes shall be carried forward to the prize pool for the next drawing.
(Sections 9-803 and 9-823, R.R.S. 2012, October 7, 2015.)

REG-711 DOUBLE PLAY

711.01 Promotion Description. The Powerball Double Play Promotion (“DP” or “Promotion”) is an add-on to the Powerball game, and participation by a Lottery is optional. Players must purchase an official Powerball ticket to participate in DP.

DP offers players a second chance to win a new set of prizes, using the same numbers the player selected (manually or by computer pick) for their Powerball Play. The Double Play Drawing is a separate drawing which takes place after the official Powerball Drawing, conducted by and in accordance with the Product Group approved Draw Procedures.

Selling Lotteries may choose when to start and end the Double Play Promotion.

DP is an additional add-on to the Powerball game, and does not replace or alter Power Play. Power Play is not available with the Double Play Promotion. DP Prizes will not be multiplied or increased by the Power Play Promotion.

DP is conducted in accordance with the Powerball Double Play Promotion Rules and Selling Lottery rules. All rules applicable to the Powerball Game are applicable to the DP Promotion unless otherwise indicated.

Powerball prizes and Double Play prizes are determined separately; for example, a Powerball player who chooses to participate in Double Play may win both a Double Play prize and a Powerball Prize, if their Play numbers match the Powerball winning numbers and also the Double Play winning numbers.

Participating Lotteries may require purchase of the Double Play promotion when a player purchases a Powerball play.

711.01A Double Play is a five (5) out of sixty-nine (69) plus one (1) out of twenty-six (26) lottery game, drawn on the day(s), time(s) and location(s) as determined by the Powerball Product Group, and which pays a single payment First Prize.

711.01B DP Winning Numbers. Double Play winning numbers applicable to determine Double Play prizes will be determined on the day(s), time(s) and location(s) as determined by the Powerball Product Group. During the drawing event, five (5) numbers shall be drawn from the first set of sixty-nine (69) numbers, and one (1) number shall be drawn from the second set of twenty-six (26) numbers, which shall constitute the Double Play Winning Numbers.

Powerball winning numbers shall not be used to determine Double Play prizes. Double Play winning numbers shall not be used to determine Powerball prizes.

711.02 Requirements To play Double Play. Players must purchase an official Powerball ticket. For an additional one dollar (\$1.00) players may purchase a Double Play at the same time the Powerball ticket is purchased. Double Play numbers shall be the same as the numbers the player selected (manually or computer pick) for their Powerball Play. The one dollar (\$1.00) purchase price for Double Play shall include any specific statutorily-mandated tax of a Selling Lottery to be included in the price of a lottery Play.

Plays may be purchased from a Selling Lottery approved sales outlet in a manner as approved by the Selling Lottery.

711.03 Tickets and Ticketless Transactions. Selling Lotteries may determine whether the DP Plays are printed on the same ticket as a Powerball ticket, or on a separate ticket from the Powerball ticket. If a Selling Lottery determines that the DP Play may be on a separate ticket than the Powerball ticket, under no circumstances will a claim be paid for a DP prize without having first purchased an official Powerball ticket for the same drawing. If the DP is on a separate ticket, then that ticket must match all of the game play, serial number and other validation data residing in the Selling Lottery's CGS and such ticket shall be the only valid proof of the wager placed and the only valid receipt for claiming or redeeming such prize. If the DP Play is purchased as a ticketless transaction, the Selling Lottery's electronic record of purchase shall be the only valid proof of the wager placed and the only valid receipt for claiming or redeeming such prize.

711.04 Double Play Prize Pool. The prize pool for all prize categories offered by the Selling Lotteries shall consist of fifty-five percent (55%) of each drawing period's sales, inclusive of any specific statutorily mandated tax of a Selling Lottery to be included in the price of a lottery PB Play, and inclusive of contributions to the prize pool accounts, but may be higher or lower based upon the number of winners at each prize level. Prize pool contribution requirements shall be based on the sales price for Plays as established by the Group, not on the amount collected by the Selling Lottery after deducting for statutorily mandated taxes.

711.05 Double Play Prize Pool Accounts. The Product Group shall set the contribution rates to the prize pool accounts established by this rule.

711.05A The following prize pool accounts for the Double Play game are hereby established:

711.05A(1) The First Prize Pool (FPP), which is used to fund the First Prize and fund deficiencies in the DPSPP. Any monies not used to pay a First Prize may be used to fund deficiencies in the DPSPP as needed. Any funds not used to pay a First Prize or fund deficiencies in the DPSPP shall accumulate in this pool until such time as funds are needed to pay a First Prize or fund deficiencies in the DPSPP; and

711.05A(2) The Double Play Set Prize Pool (DPSPP), which is used to fund the Double Play Set or Lower Tier Prizes. The DPSPP shall hold the temporary balances that may result from having fewer than expected winners in the Double Play Set Prize categories. The Source of the DPSPP is the Selling Lottery's weekly prize contributions less actual Double Play Set Prize liability.

711.05B The contribution rate to the FPP from DP Plays shall be four and nine thousand eight hundred and eighty-nine ten thousandths percent (4.9889%) of sales except as provided in 711.06A.

711.05C The Product Group may determine to expend all or a portion of the funds in the DPSPP:

711.05C 1) For the purpose of indemnifying the Selling Lotteries in the payment of prizes to be made by the Selling Lotteries; and

711.05C(2) For the payment of prizes or special prizes in the game, limited to prize pool contributions from lotteries participating in the special prize promotion.

711.06 Expected Prize Payout. The First Prize payout shall be determined on a pari-mutuel basis. All Double Play prizes shall be paid as single payment prize. Except as otherwise provided in these Rules, all prizes other than the First Prize are set prize amounts. All prize payouts are made with the following expected prize payout percentages, although the prize payout percentages per draw may vary:

Number of Matches Per PB Play	Prize Payment	DP Prize Pool Percentage Allocated to prize	DP Sales Percentage Allocated to Prize
All five (5) of first set plus one (1) of second set. First Prize -	\$10,000,000	9.0707 %	4 .9889%*
All five (5) of first set and none of second set.	\$500,000	7.7780 %	4.2779%
Any four (4) of first set plus one (1) of second set.	\$50,000	9.9558%	5.4757%
Any four (4) of first set and none of second set.	\$500	2.4889%	1.3689%
Any three (3) of first set plus one (1) of second set.	\$500	6.2721%	3.4497%
Any three (3) of first set and none of second set.	\$20	6.2721%	3.4497%
Any two (2) of first set plus one (1) of second set.	\$20	5.1850%	2.8517%
Any one (1) of first set plus one (1) of second set.	\$10	19.7677%	10.8722%
None of first set plus one (1) of second set.	\$7	33.2097 %	18.2653%

* The maximum contribution rate may include contributions to the Prize Pool Accounts as described in these rules.

Due to jurisdictional law requirements, on December 5, 2019, the Powerball Group concluded that the California Lottery shall separately determine the low-tier cash prize values for that jurisdiction if the California Lottery decides to offer Powerball Double Play.

711.06A The First Prize amount shall be divided equally by the number of DP Plays winning the First Prize. If no Plays match the DP winning numbers as described above, the DP First Prize will not be awarded, and remains at ten million dollars (\$10,000,000).

If the amount in the FPP is insufficient to fund awarded First Prize(s), contributions from individual Participating Lotteries to fund the awarded First Prize deficiency shall be determined on a pro rata basis based on sales since the most recent First Prize win.

711.06B The DPSPP (for payment of single payment prizes of five hundred thousand dollars (\$500,000.00) or less) shall be carried forward to subsequent draws if all or a portion of it is not needed to pay the set prizes awarded in the current draw.

711.07 Pari-mutuel Prize Determinations Applicable to Participating Lotteries. Except as may be otherwise provided:

711.07A If the total of the Double Play Set Prizes awarded in a drawing exceeds the percentage of the prize pool allocated to the Double Play Set Prizes, then the amount needed to fund the Double Play Set Prizes awarded shall be drawn from the following sources, in the following order:

711.07A(1) the amount available in the DPSPP if any;

711.07A(2) an amount from the FPP, if available; and

711.07A(3) other amounts as agreed to by the Product Group in its sole discretion.

711.07B If, after these sources are depleted, there are not sufficient funds to pay the Double Play Set Prizes, then the highest Double Play Set Prize shall become a pari-mutuel prize. If the amount of the highest Double Play Set Prize, when paid on a pari-mutuel basis, drops to or below the next highest Double Play Set Prize and there are still not sufficient funds to pay the remaining Double Play Set Prizes awarded, then the next highest Double Play Set Prize shall become a pari-mutuel prize. This procedure shall continue down through all Double Play Set Prize levels, if necessary, until all Double Play Set Prize levels become pari-mutuel prize levels; In that circumstance, the money available from the funding sources listed in this Rule shall be divided among the winning DP Plays in proportion to their respective prize percentages.

711.07C Subject to the laws and rules governing each Selling Lottery, the number of prize categories and the allocation of the prize fund among the prize categories may be changed at the discretion of the Product Group, for promotional purposes. Such change shall be announced by Product Group.

712 Probability of Winning Double Play Prizes. The following table sets forth the probability of winning and the probable distribution of winners in and among each prize category for Powerball DP Plays sold by Selling Lotteries, based upon the total number of possible combinations in Powerball Double Play.

CHAPTER 800-NEBRASKA PICK 5

REG-801 GAME DESCRIPTION

801.01 General. Nebraska Pick 5 is an on-line lottery game which pays all prizes including the Grand Prize on a cash basis except as provided in these regulations or the Nebraska Pick 5 game rules. To play Nebraska Pick 5, a player shall select five (5) different numbers as established in the Nebraska Pick 5 game rules for input into a terminal. Nebraska Pick 5 tickets shall be purchased from a terminal operated by a Lottery Game Retailer. Each play costs one dollar (\$1). The player shall select a set of five numbers by communicating the five (5) numbers to the Lottery Game Retailer, or by hand marking five (5) numbered squares in any one game play area on a play slip and submitting the play slip to the Lottery Game Retailer, or by requesting a computer "quick pick" from the Lottery Game Retailer. The Lottery Game Retailer will then issue a Nebraska Pick 5 ticket, via the terminal, containing the selected set or sets of numbers, each of which constitutes a Nebraska Pick 5 game play.

801.02 Claims. A Nebraska Pick 5 ticket (subject to the validation requirements set forth in Reg-805 Nebraska Pick 5 Ticket Validation) shall be the only proof of a Nebraska Pick 5 game play or plays, and the submission of a winning Nebraska Pick 5 ticket to the Division, or an authorized Lottery Game Retailer shall be the sole method of claiming a prize or prizes. A play slip has no pecuniary or prize value and shall not constitute evidence of a Nebraska Pick 5 ticket purchase or of numbers selected.

801.03 Cancellations Prohibited. A Nebraska Pick 5 ticket may not be voided or canceled by returning the Nebraska Pick 5 ticket to the selling Lottery Game Retailer or to the Division, including Nebraska Pick 5 tickets that are printed in error. No Nebraska Pick 5 ticket which can be used to claim a prize shall be returned to the Division for credit. Nebraska Pick 5 tickets accepted by Division Game Retailers as returned tickets will remain charged to the Lottery Game Retailer's account. Ownership of the tickets is in bearer form until the ticket is signed on the reverse side. Lottery Game Retailers who accept unsigned Nebraska Pick 5 tickets as returned tickets and who cannot re-sell those tickets shall be deemed the owners of those tickets.

801.04 Player Responsibility. It shall be the sole responsibility of the player to verify the accuracy of the Nebraska Pick 5 game play or plays and other data printed on the Nebraska Pick 5 ticket. The placing of Nebraska Pick 5 plays is done at the player's own risk through the on-line Lottery Game Retailer who is acting on behalf of the player in entering the Nebraska Pick 5 play or plays.

801.05 Entry of Nebraska Pick 5 Plays. Nebraska Pick 5 plays may only be entered manually using the on-line lottery terminal keypad (including a computer "quick pick") or by means of a play slip provided by the Division. A Lottery Game Retailer shall not permit the use of facsimiles of play slips, copies of play slips, or other materials that are inserted into the terminal's play slip reader that are not printed or approved by the Division. Lottery Game Retailers shall not permit any device to be connected to an on-line lottery terminal to enter Nebraska Pick 5 plays, except as approved by the Division. Any play slip number selection by a method other than hand marked by the player and any resulting ticket shall be invalid.

801.06 Drawings. Drawings shall be held at the times and places established by the Division in the Nebraska Pick 5 game rules and the results shall be subsequently announced to the public.

801.06A The Director shall determine the time for the end of sales prior to the drawings. On-line terminals shall not process on-line tickets for that drawing after the time established by the Director.

801.06B The Division shall designate the type of drawing equipment to be used and shall establish drawing procedures to randomly select the winning combination and to ensure the integrity of the drawing process.

(Sections 9-803 and 9-823, R.R.S. 2012. October 7, 2015.)

Any amount remaining in the prize pool at the end of this game shall be carried forward to a replacement game or expended in a manner as directed by the Director in accordance with the State Lottery Act.

802.02 Expected Prize Payout Percentages. All prizes including the Grand Prize shall be set out in the Nebraska Pick 5 game rules.

(Sections 9-812 and 9-823, R.R.S. 2012. October 7, 2015.)

REG-803 PROBABILITY OF WINNING

803.01 Probability of Winning. The probability of winning and the probable distribution of winners in and among each prize category shall be set out in the Nebraska Pick 5 game rules. All prizes except “free ticket” prizes shall be cash prizes, even if determined on a parimutuel basis.

(Sections 9-812 and 9-823 R.R.S. 2012. October 7, 2015.)

REG-804 PRIZE PAYMENT

804.01 Cash Prize Payments. All prizes except “free ticket” prizes shall be paid in cash by either a Lottery Game Retailer or at a Division claim center. A “free ticket” prize shall be redeemable by a Lottery Game Retailer for a free quick pick of the next Nebraska Pick 5 drawing after redemption. If a “free ticket” prize is brought or mailed into Lottery Headquarters or a lottery claim center, the Headquarters or claim center may, at its sole discretion, transfer to the claimant a free quick pick ticket, transfer to the claimant a coupon for a “free ticket” redeemable at a Lottery Game Retailer or transfer to the claimant a warrant for \$1 (one dollar).

804.02 Guaranteed Prizes. The Division may make changes in the prize structure, prize pool, probability of winning or the probable distribution of winners when the Division determines that it would be in the best interest of the Nebraska Pick 5 game and the Division.

804.03 Limited to Highest Prize Won. The holder of a winning Nebraska Pick 5 ticket may win only one prize per game play area in connection with the winning Nebraska Pick 5 numbers drawn and shall be entitled only to the prize won by those numbers in the highest matching prize category.

804.04 Prize Claim Period. Prize claims shall be submitted within the period set forth in Reg-602.05. In the event that the Nebraska Pick 5 game is closed, and no other redemption option is provided by the Division, a “Free ticket” prize may be redeemed for one dollar (\$1.00) by submitting such claim to Lottery Headquarters or a Lottery Claim Center.

804.05 Free Ticket Redemption after Game Close. In the event that the Division discontinues this game, any free plays that are won on the last draw of the game may be redeemed toward any other active lotto game within 180 days.

(Section 9-823, R.R.S. 2012. October 7, 2015.)

REG-805 NEBRASKA PICK 5 TICKET VALIDATION

805.01 Nebraska Pick 5 Ticket Validation. To be a valid Nebraska Pick 5 ticket and eligible to receive a prize, a ticket shall satisfy all the requirements set forth in Reg-603 for validation of winning tickets and any other validation requirements adopted by the Division in the Confidential Nebraska Lottery Minimum Game Security Standards. The Division shall not be responsible for Nebraska Pick 5 tickets which are altered in any manner.

(Section 9-823, R.R.S. 2012. October 7, 2015.)

REG-806 TICKET RESPONSIBILITY

806.01 Signature. Until such time as a signature is placed upon a Nebraska Pick 5 ticket in the area designated for signature, a Nebraska Pick 5 ticket shall be owned by the bearer of the Nebraska Pick 5 ticket. When a signature is

806.02 Stolen Tickets. The Division shall not be responsible for lost or stolen Nebraska Pick 5 tickets.

CHAPTER 1300 – 2BY2

REG-1301 — GAME DESCRIPTION.

1301.01 2by2 is a two (2) out of twenty-six (26) plus two (2) out of twenty-six (26) on-line lottery game drawn once a day, seven days a week as part of the 2by2 drawing event, which pays the Grand Prize and all other prizes on a single payment basis. 2by2 winning numbers applicable to determine 2by2 prizes will be determined daily as part of the 2by2 drawing event.

To play 2by2, a player shall select (or computer pick) two (2) different “red” numbers, from one (1) through twenty-six (26), inclusive, and two (2) additional different “white” numbers from one (1) through twenty-six (26), inclusive. The numbers for the second (white) set of two numbers may be the same as the numbers for the first (red) set of two numbers selected by the player.

Plays can be purchased for one dollar (\$1.00), including sales tax where mandated, by any means approved by the Division and the Product Group. Plays may be purchased from a Lottery Game Retailer in a manner as approved by the Division and in accordance with MUSL rules.

The Drawing Procedures shall include procedures for randomly selecting the 2by2 game Winning Numbers.

1301.01A Seven Draws Promotion. A multi-draw ticket or ticketless transaction with one or more Plays for only seven (7) consecutive draws or only multiples of seven (7) consecutive draws shall qualify for double prizes won on the included Tuesday draw, as limited by REG-1302.03. Plays purchased for any number of draws other than in multiples of seven (7) draws shall not qualify for double prizes won on any Tuesday.

1301.02 Claims. Unless otherwise permitted by the Division, a ticket (subject to the validation requirements set forth in 2by2 Rule 31 (Ticket Validation)) or properly registered ticketless transaction shall be the only proof of a game play or plays and the submission of a winning ticket to the issuing Party Lottery or its authorized agent shall be the sole method of claiming a prize or prizes. A play slip has no pecuniary or prize value and shall not constitute evidence of ticket purchase or of numbers selected. A terminal-produced paper receipt has no pecuniary or prize value and shall not constitute evidence of play purchase or of numbers selected.

1301.03 Cancellations Prohibited. A Play may not be voided or canceled by returning the ticket to the selling agent or to the lottery, including tickets that are printed in error. The Division may develop an approved method of compensating retailers for plays that are not transferred to a player for a reason acceptable to the Division. No play that is eligible for a prize shall be returned to the lottery for credit. Tickets accepted by retailers as returned tickets and which cannot be re-sold shall be deemed owned by the bearer thereof.

1301.04 Player Responsibility. It shall be the sole responsibility of the player to verify the accuracy of the game Play or Plays and other data printed on the ticket or contained in a ticketless transaction. The placing of Plays is done at the player's own risk through the on-line agent who is acting on behalf of the player in entering the play or plays. The purchaser of a Play or Plays through a ticketless transaction has the sole responsibility for verifying the accuracy and condition of the data at the time of purchase.

Contribution rates shall be described below. This rate does not include a Selling Lotteries prize expense for "free plays."

1302.02 Prize Pool and Prize Reserve Accounts.

1302.02A The Product Group shall set the contribution rates to one or more prize pool and prize reserve accounts established by this rule.

1302.02A(1) The Prize Reserve Account (PRA) which is used to guarantee the payment of valid, but unanticipated, Grand Prize claims that may result from a system error or other reason; to fund deficiencies in prize payments (subject to the limitations of these rules); and for other purposes as established in these Rules, is hereby established

The SPP shall hold the temporary balances that may result from having fewer than expected winners in the Set Prize (aka low-tier prize) categories excluding "free play" prizes. The Source of the SPP is the Party Lottery's weekly prize contributions less actual Set Prize liability;

1302.02C The above prize reserve accounts may have maximum balance amounts or balance limit triggers that are set by the Product Group and are detailed in the Comments to MUSL 2by2 Game Group Rule 28.2.

The maximum balance amounts and balance limit triggers are subject to review by the MUSL Board Finance and Audit Committee. The Finance and Audit Committee shall have two weeks to state objections, if any, to the approved maximum balance amounts or balance limiter triggers. Approved maximum balance amounts or balance limiter triggers shall become effective no sooner than two weeks after notice is given to the Finance and Audit Committee and no objection is stated or sooner if the Committee affirmatively approves the maximum balance amounts or balance limiter triggers. The Group may appeal the Committee's objections to the full Board. 1302.02F The prize reserve shares of a Party Lottery may be adjusted with refunds to the Party Lottery from the prize reserve account(s) as may be needed to maintain the approved maximum balance and sales percentage shares of the Party Lotteries.

1302.02G A Party Lottery may contribute to its sales percentage share of prize reserve accounts over time, but in the event of a draw down from a prize reserve account, a Party Lottery is responsible for its full sales percentage share of the prize reserve account, whether or not it has been paid in full.

1302.02H Any amount remaining in the 2by2 prize pools or prize reserve accounts when the Product Group declares the end of the game shall be returned to the lotteries participating in the prize pool and reserve accounts after the end of all claim periods of all Selling Lotteries, carried forward to a replacement game, or otherwise expended in a manner at the election of the individual Members of the Product Group in accordance with jurisdiction statute.

An election made after the winner becomes entitled to the prize is final and cannot be revoked, withdrawn or otherwise changed.

1605.01D In the event of a prize winner who selects the cash value option, the prize winner's share will be paid in a single payment upon completion of internal validation procedures. The cash option amount shall be determined by the Mega Millions Lotteries.

If an annuity is chosen, it shall be paid in 30 consecutive graduated annual installments by the Party Lottery that sold the winning Mega Millions Ticket, with graduated annual installments as defined by the Mega Millions Lotteries in the Mega Millions Finance and Operations Procedures. The initial payment shall be paid upon completion of internal validation procedures. The subsequent 29 payments shall be paid annually to coincide with the month of the Federal auction date at which the bonds were purchased to fund the annuity. All such payments shall be made within seven (7) days of the anniversary of the annual auction date.

1605.01F If individual shares of the Mega Millions Jackpot Prize Pool funds held to fund an annuity is less than \$250,000, the Product Group, in its sole discretion, may elect to pay the winners their share of the cash held in the Mega Millions Jackpot Prize pool.

1605.01G Funds for the initial payment of an annuitized prize or cash value option prize shall be made available by MUSL for payment by the Party Lottery on a schedule approved by the Product Group. If necessary, when

the due date for the payment of a prize occurs before the receipt of funds in the prize pool trust sufficient to pay the prize, the transfer of funds for the payment of the full cash value option amount may be delayed pending receipt of funds from the Party Lotteries or other lotteries participating in the Mega Millions Game. A Party Lottery may elect to make the initial payment from its own funds after validation, with notice to MUSL.

1605.01H In the event of the death of a lottery winner sold by a Party Lottery during the annuity payment period, unless prohibited by Nebraska law, the MUSL Finance Committee, in its sole discretion excepting a discretionary review by the Product Group, upon the petition of the estate of the lottery winner (the "Estate") to the lottery of the jurisdiction in which the deceased lottery winner purchased the winning play, and subject to federal, state, district or territorial applicable laws, may accelerate the payment of all of the remaining lottery proceeds to the Estate. If such a determination is made, then securities and/or cash held to fund the deceased lottery winner's annuitized prize may be distributed to the Estate. The identification of the securities to fund the annuitized prize shall be at the sole discretion of the Finance Committee or the Product Group.

1605.02 Prize Payments. All prizes shall be paid through the Selling Lottery that sold the winning play(s), and at the discretion of the Selling Lottery may be paid by cash, checks, warrants or electronic transfers. A Party Lottery may begin paying low-tier prizes after receiving authorization to pay from the MUSL central office.

1605.03 Prizes Rounded. Annuitized payments of the Mega Millions Jackpot Prize or a share of the Mega Millions Jackpot Prize may be rounded to facilitate the purchase of an appropriate funding mechanism. Breakage on an annuitized Mega Millions Jackpot Prize win shall be added to the first cash payment to the winner or winners. Prizes other than the Grand Prize, which, under these regulations, may become single-payment, pari-mutuel prizes, may be rounded down so that prizes can be paid in multiples of whole dollars. Breakage resulting from rounding these prizes shall be carried forward to the prize pool for the next drawing.

1605.04 Rollover. If the Grand Prize is not won in a drawing, the prize money allocated for the Grand Prize shall roll over and be added to the Grand Prize pool for the following drawing.

1605.05 Limited to Highest Prize Won. The holder of a winning play may win only one prize per play in connection with the winning numbers drawn for the Mega Millions Game and shall be entitled only to the prize won by those numbers in the highest matching prize category. All liability for a Mega Millions prize is discharged upon payment of a prize claim.

1605.06 Prize Claim Period. Prize claims shall be submitted within 180 days after the drawing date.

1605.07 If a Party Lottery purchases or holds the prize payment annuity for a prize won in that jurisdiction, that Party Lottery's game rules, and any prize payment agreement with the prize winner, shall indicate that the prize winner has no recourse against MUSL or any other Party Lottery for payment of that prize.

REG-1606 TICKET VALIDATION.

1606.01 To be a valid play and eligible to receive a prize, a play's ticket or ticketless transaction shall satisfy all the requirements established by the Division for validation of winning plays sold through its computer gaming system and any other validation requirements adopted by the Product Group, the MUSL Board and published as the Confidential MUSL Minimum Game Security Standards. MUSL and the Division shall not be responsible for plays which are altered in any manner.

1606.02 Under no circumstances will a claim be paid any prize without an official Mega Millions ticket matching all game play, serial number and other validation data residing in the selling Party Lottery's computer gaming system and such ticket shall be the only valid proof of the wager placed and the only valid receipt for claiming or redeeming such prize. Prize payment(s) will be made only after completion of the internal validation procedures and administrative processes as required by these Rules and the requirements of the Party Lottery that sold the winning Play.

1606.03 In addition to the above, in order to be deemed a valid, winning Play, unless the Play is a validly registered Ticketless Transaction, all of the following conditions must be met:

1606.03A The validation data must be present in its entirety and must correspond, using the computer validation file, to the number selections printed on the ticket for the drawing date(s) printed on the ticket;

1606.03B The ticket must be intact;

1606.03C The ticket must not be mutilated, altered, reconstituted, or tampered with in any manner;

1606.03D The ticket must not be counterfeit or an exact duplicate of another winning ticket;

1606.03E The ticket must have been issued by an authorized Mega Millions agent, sales agent or retailer on official paper stock of the selling Party Lottery and printed on paper in compliance with MUSL Rule 2;

1606.03F The ticket must not have been stolen, to the knowledge of the Party Lottery;

1606.03G The ticket must be submitted for payment in accordance with the Amended and Restated Mega Millions Official Game Rules;

1606.03H The play data must have been recorded on the CGS prior to the drawing and the play data must match this computer record in every respect. In the event of a contradiction between information as printed on the ticket and as accepted by the Party Lottery's computer gaming system, the wager accepted by the Party Lottery's computer gaming system shall be the valid wager;

1606.03I The player or computer pick number selections, validation data and the drawing date(s) of an apparent winning play must appear on the official file of winning plays, and a play with that exact data must not have been previously paid;

1606.03J The play must not be misregistered, and the play's ticket must not be defectively printed or printed or produced in error to an extent that it cannot be processed by the Party Lottery that issued the play;

1606.03K The play must pass validation tests using a minimum of three (3) of the five (5) validation methods as defined in the Mega Millions Finance and Operations Procedures for Mega Millions. In addition, the play must pass all other confidential security checks of the Party Lottery that issued the Play;

1606.03L In submitting a Mega Millions play for validation, the claimant agrees to abide by applicable laws, all rules and regulations, instructions, conditions and final decisions of the Director of the Party Lottery that issued the play;

1606.03M There must not be any other breach of these Mega Millions Rules in relation to the play, which, in the opinion of the Director of the Party Lottery justifies invalidation.

1606.03N The play must be submitted to the Party Lottery that issued it.

1606.03O Ticketless transaction Plays must meet the validation requirements of the Party Lottery that issued the Play.

1606.04 A-Play submitted for validation which fails any of the preceding validation conditions shall be considered void, subject to the following determinations:

1606.04A In all cases of doubt, the determination of the Division shall be final and binding; however, the Division may, at its sole option, replace an invalid play with a Play of equivalent sales price;

1606.04B In the event a defective ticket is purchased or in the event the Division determines to adjust an error, the Claimant's sole and exclusive remedy shall be the replacement of such defective or erroneous ticket(s) with a Play of equivalent sales price;

1606.04C In the event a Play is not paid by the Division, and a dispute occurs as to whether the play is a winning play, the Division may, at its option, replace the play as provided in subsection (A) of this subsection. This shall be the sole and exclusive remedy of the Claimant unless the laws or regulations of governing the Party Lottery provide for further administrative review.

1606.05 Invalid Tickets. The Division shall not be responsible for misdelivered, unrecorded, counterfeit, misregistered, mutilated, tampered with, defectively printed or produced, or damaged tickets, or any other ticket that fails to meet the requirements of these regulations.

(Sections 9-803 and 9-823, R.R.S. 2012. January 14, 2010.)

REG-1607 PLAY RESPONSIBILITY.

1607.01 Prize Claims. Prize claim procedures shall be governed by the rules of the selling lottery. MUSL and the Selling Lotteries shall not be responsible for prizes that are not claimed following the proper procedures as determined by the selling lottery.

1607.02 Multiple Signatures. The manner of payment of prizes for valid winning tickets bearing multiple signatures, marks or names shall be determined by the Division in its sole discretion, and any decision shall be final and binding.

1607.03 Stolen Plays. The Product Group, MUSL, and the Division shall not be responsible for lost or stolen plays.

1607.04 Ticketless Transactions. A Ticketless Transaction Play is only valid when registered with the lottery in accordance with lottery rules, these Rules, and the MUSL Rules. The person or, if permitted by the lottery rules, the persons registering the Play shall be the owner of the Ticketless Transaction play. A receipt for a Ticketless Transaction Play has no value and is not evidence of a Play.

1607.05 The Division shall not be responsible to a prize claimant for Mega Millions tickets redeemed in error by a Mega Millions agent, sales agent, or retailer.

1607.06 Winners are determined by the numbers drawn and certified by the independent auditor responsible for auditing the Mega Millions draw. Neither MUSL nor the Division is responsible for Mega Millions winning numbers reported in error.

(Sections 9-803 and 9-823, R.R.S. 2012. January 14, 2010.)

1704.02 Except as provided in these regulations, the top prize (Prize Level #1) shall be annuitized and based on a top prize liability that will be split equally among the number of winning game tickets. A top prize winner may request the cash option, the amount of which is to be established by the New England Lotteries for a defined period of drawings. Notice of the amount of and changes to the cash option shall be posted on the game's website. Under certain circumstances, as detailed below, the top prize is required to be paid in a single lump sum cash payment, and no annuitized payment option is available.

1704.02A One (1) Top Prize Winner. If there is one (1) top prize winner, the annuitized prize value will be seven thousand dollars (\$7,000.00) per week for life. As an alternative to the annuitized payment option, the top prize winner may request the top prize cash option in the amount set forth in the published notice.

1704.02B Two (2) to Fourteen (14) Top Prize Winners. If there are between two (2) and fourteen (14) top prize winners, the annuitized payment option, based on an annuitized prize value of seven thousand dollars (\$7,000.00) per week, will be divided by the total number of top prize winners. The minimum annuitized prize value for this

category will be five hundred dollars (\$500.00) a week for life. Any of these two (2) to fourteen (14) top prize winners may choose the cash option as an alternative to the annuitized payment option. The amount of the cash option for this category will be the amount of the top prize cash option set forth in the published notice divided by the total number of top prize winners. The minimum cash option for this category will be the amount set forth in the published notice.

1704.02C Fifteen (15) or more Top Prize Winners. If there are fifteen (15) or more top prize winners, the top prize liability shall be capped at seven million one hundred twenty-five thousand dollars (\$7,125,000.00), shall be split equally among all top prize winners, and shall be paid in one (1) lump sum cash payment, without an annuitized payment option. The minimum prize value for this category shall not be less than any lower tier prize paid in that respective drawing.

1704.02D The winner(s) of the top prize who does not request the cash option shall be paid their appropriate top prize share on a weekly basis, or according to such other schedule of payments set at the discretion of the Division, as permitted in REG-1705, for a minimum period of twenty (20) years. The first top prize payment will be made after the prize is claimed at the Division.

1704.02E Measuring Life. For a single wager, the measuring life of a top prize winner used to determine the duration over which the top prize is paid, shall be the natural life of the individual determined by the Division to be the top prize winner. If the top prize under a single wager is being claimed by more than one (1) natural person or by a legal entity, the measuring life for that top prize winner shall be twenty (20) years.

1704.02F If paid in a lump sum cash payment, top prize amounts will be rounded to the nearest whole dollar.

1704.03 Except as provided in these regulations, the second prize (Prize Level #2) winner will be paid twenty-five thousand dollars (\$25,000.00) a year for life. A second prize winner may request the cash option, the amount of which is to be established by the New England Lotteries for a defined period of drawings. Notice of the amount of and changes to the cash option shall be posted on the game's website. Under certain circumstances, as detailed below, the second prize is required to be paid in a single lump sum cash payment, and no annuitized payment option is available.

1704.03A One (1) to Twenty (20) Second Prize Winners. If there are between one (1) and twenty (20) second prize winner(s), the annuitized prize value will be twenty-five thousand dollars (\$25,000.00) per year for life. Any of these one (1) to twenty (20) second prize winner(s) may choose the second prize cash option as an alternative to the annuitized payment option. The amount of the cash option for this category will be set forth in the published notice.

1704.03B Twenty-one (21) or more Second Prize Winners. If there are twenty-one (21) or more second prize winners, the second prize liability shall be capped at nine million four hundred thousand dollars (\$9,400,000.00), shall be split equally among all second prize winners, and shall be paid in a single lump sum cash payment, without an annuitized payment option. The minimum prize value for this category shall not be less than any lower tier prize paid in that respective drawing.

1704.03C The winner(s) of the second prize who does not request the cash option shall be paid their appropriate second prize share on an annual basis for a minimum period of twenty (20) years. The initial second prize payment will be made after the prize is claimed at the Division; subsequent second prize payments will be made annually thereafter.

1704.03D Measuring Life. For a single wager, the measuring life of a second prize winner used to determine the duration over which the second prize is paid, shall be the natural life of the individual determined by the Division to be the second prize winner. If the second prize under a single wager is being claimed by more than one (1) natural person or by a legal entity, the measuring life for that second prize winner shall be twenty (20) years.

1704.03E If paid in a Lump Sum Cash Payment, second prize amounts will be rounded to the nearest whole dollar.

Except as provided in these rules, all other prizes are paid on a single payment basis.

Lotto America Winning Numbers applicable to determine Lotto America prizes will be determined in the Lotto America Drawing event. During the drawing event, five (5) numbers shall be drawn from the first set of fifty-two (52) numbers, and one (1) number shall be drawn from the second set of ten (10) numbers, which shall constitute the Winning Numbers.

To play Lotto America, a player shall select (or computer pick) five (5) different numbers, from one (1) through fifty-two (52) and one (1) additional number from one (1) through ten (10). The additional number may be the same as one of the first five numbers selected by the player.

Unless otherwise permitted by a selling lottery, a ticket (subject to the validation requirements set forth in Rule 31 (Ticket Validation)) or properly registered ticketless transaction shall be the only proof of a game Play or Plays and the submission of a winning ticket to the issuing Selling Lottery or its authorized agent shall be the sole method of claiming a prize or prizes. A Play Slip, paper receipt, or printed summation of a Play printed by a Terminal which is not a ticket has no pecuniary or prize value and shall not constitute evidence of a Play purchase or numbers selected.

1802.03 Cancellations. Plays Non-Cancellable. In all instances, a Play recorded on the CGS may not be voided or cancelled by returning the ticket or ticketless transaction to the Retailer or to the Selling Lottery, including tickets that are misprinted, illegible, printed in error, or for any reason not successfully transferred to an authorized selling entity or Player.

1802.04 Request for Plays. A lottery may conduct future sales through a subscription or other system that does not immediately record such sales on the CGS. A "Request for Play" is a sale that is not immediately recorded on the CGS but is instead recorded onto the CGS at some future time prior to a draw event. At the sole discretion of the lottery, authorized sales through a subscription or other system that has not been recorded on the CGS (instead recorded as "Request for Plays"), may be cancelled at any time prior to the time the Request for Play is recorded as a Play on the CGS. If a Request for Play is cancelled, it shall not be recorded on the CGS.

Per 1802.03, once a Play is recorded on the CGS, it may not be cancelled at any time. Any cancelled “Request for Play” shall not be included in sales data report to MUSL. Examples of instances when Selling Lotteries may desire to permit cancellation of subscription “Request for Plays” include game matrix changes, price changes, modifications of game features, players who enroll in self-exclusion programs, and other circumstances as may be determined by the Selling Lottery.

1802.06 Incomplete Transaction Plays. Incomplete Transaction Plays occur when a Retailer begins a Play transaction as requested by a Player, and the Play is registered on the CGS, but the transaction is terminated prior to transferring Play confirmation to the Player, there is no attempt to print the Play on a ticket, and the Player has not paid for the Play. Transaction terminations may be due to time sensitivities, communications loss or other issues as accepted by the Selling Lottery.

A Selling Lottery, at its sole discretion, may develop an approved method of managing Incomplete Transaction Plays, subject to these provisions.

Incomplete Transaction Plays may not be cancelled or voided.

The Selling Lottery must remit its required prize pool contributions on any Incomplete Transaction Plays. At its sole discretion, the Selling Lottery may reimburse retailers for incomplete transaction plays.

Incomplete Transaction Plays may not be claimed for a prize by any person or entity including the Retailer. Any prize which cannot be claimed as a prize under this Rule but would otherwise have been won on an Incomplete Transaction Play shall become an unclaimed prize at the end of the prize claim period of the drawing for which the Incomplete Transaction Play was recorded. Incomplete Transaction Plays are not reported to MUSL.

Selling Lotteries may compensate a Retailer for the loss from theft if a Selling Lottery, solely at its discretion, determines to assume such a loss, but Stolen Plays cannot be cancelled or voided.

Ownership of Stolen Plays, and whether any party has a right to claim prizes on Stolen Plays, shall be determined by the rules of the Selling Lottery.

1802.08 Game Cancellation. In the event of cancellation of the Game by the Product Group prior to the occurrence of all drawings for which Plays have been sold and recorded on the CGS, the Selling Lottery may provide a refund mechanism for such Plays to the Players, and the Selling Lottery shall not be required to remit its prize pool contributions for any such refunded Plays.

1802.09 Selling Lotteries Prohibited from Claiming Prizes. Selling Lotteries and lottery officials are prohibited from claiming any prizes on Plays that are owned by the Selling Lottery through “Returned Plays” or otherwise acquired

and held by the Selling Lottery. Any prizes that would otherwise be won on Plays owned or acquired by Selling Lotteries shall become unclaimed prizes at the end of the prize claim period.

1802.10 Player Responsibility. It shall be the sole responsibility of the player to verify the accuracy of the game Play or Plays and other data printed on the ticket or contained in a ticketless transaction. The placing of Plays is done at the player's own risk through the agent that is acting on behalf of the player in entering the Play or Plays. The purchaser of a Play or Plays through a ticketless transaction has the sole responsibility for verifying the accuracy and condition of the data at the time of purchase.

1802.11 Entry of Plays. Plays may only be entered as approved by the Selling Lottery by such means as approved by the Selling Lottery. Retailers shall not permit the use of Play Slips that are not allowed by the Selling Lottery. Retailers shall not permit any device to enter Plays, except as allowed by the Selling Lottery.

The maximum number of consecutive drawings encompassed by a ticketless transaction Play purchase when the Selling Lottery has a process in place to allow players to make changes to their Play purchases in the event of a game change is one hundred four (104).

1802.14 Matrix Change. In the event of a matrix change, the Selling Lottery that issued the ticketless transaction will determine the option(s) available to ticketless transaction purchasers from that Selling Lottery for the balance of Plays remaining on their ticketless transactions effective as of the date of the matrix change.

1803 PRIZE POOL

1803.01 Lotto America Prize Pool. The prize pool for all prize categories shall consist of fifty percent (50%) of each drawing period's sales, inclusive of any specific statutorily mandated tax of a Selling Lottery to be included in the price of a Play and including contributions to the prize pool accounts and prize reserve accounts but may be higher or lower based upon the number of winners at each prize level.

1803.02 Lotto America Prize Pool Accounts and Prize Reserve Accounts. The Product Group shall set the contribution rates to the prize pools and prize reserve accounts established by this Rule.

1803.02A The following prize reserve accounts for the Lotto America Game are hereby established:

1803.02A(1) The Prize Reserve Account (PRA) which is used to guarantee the payment of valid, but unanticipated, Grand Prize claims that may result from a system error or other reason; to fund deficiencies in low-tier Lotto America Game prize payments (subject to the limitations of these rules); deficiencies in guaranteed Grand Prize funding if approved by the Group; and for other purposes as established in these Rules.

1803.02B The following prize pools for the Lotto America Game are hereby established:

1803.02B(1) The Grand Prize Pool (GPP), which is used to fund the current Grand Prize;

1803.02B(2) The Set Prize Pool (SPP), which is used to fund the Set Prizes. The SPP shall hold the temporary balances that may result from having fewer than expected winners in the Set Prize (aka low-tier prize) categories. The Source of the SPP is the Party Lottery's weekly prize contributions less actual Set Prize liability;

1803.02B(3) The Set-Aside Pool (SAP) which is used to fund the payment of the awarded minimum starting annuity Grand Prizes and the minimum annuity Grand Prize increase, if necessary (subject to the limitations in these rules), as may be set by the Product Group; and

1803.02B(4) the Grand Prize Carry Forward Pool (GPCFP), which is used to fund the starting minimum annuity Grand Prize, as may be set by the Product Group, if such funds are available, and if sales do not fund the Grand Prize.

1803.02C The above prize reserve accounts, the GPCFP and the SAP may have maximum balance amounts or balance limiter triggers that are set by the Product Group.

The maximum balance amounts and balance limit triggers are subject to review by the MUSL Board Finance Committee. The Finance Committee shall have two weeks to state objections, if any, to the approved maximum balance amounts or balance limiter triggers. Approved maximum balance amounts or balance limiter triggers shall become effective no sooner than two weeks after notice is given to the Finance Committee and no objection is stated or sooner if the Committee affirmatively approves the maximum balance amounts or balance limiter triggers. The Group may appeal the Committee's objections to the full Board. Group approved changes in the maximum balance amounts or balance limiter triggers set by the Product Group shall be effective only after the next Grand Prize win.

1803.02D The maximum contribution rate to the GPP shall be 46.1982% of the prize pool (23.0991% of sales).

An amount of a Party Lottery's sales shall be deducted from a Party Lottery's GPP contribution and placed in trust in one or more prize pools and prize reserve accounts held by the Product Group (hereinafter the "prize pool and reserve deduction") at any time that the SAP and Party Lottery's share of the prize reserve accounts(s) is below the amounts designated by the Product Group.

An additional amount up to twenty percent (20%) of a Party Lottery's sales shall be deducted from a Party Lottery's GPP contribution and placed in trust in the GPCFP to be held by the Product Group at a time as determined by the Product Group.

1803.02E The Product Group may determine to expend all or a portion of the funds in the Lotto America Game prize pools and the prize reserve accounts (except the GPP and the GPCFP):

1803.02E(1) for the purpose of indemnifying the Party Lotteries in the payment of prizes to be made by the Selling Lotteries; and

1803.02E(2) for the payment of prizes or special prizes in the game, limited to prize pool and prize reserve contributions from lotteries participating in the special prize promotion, subject to the approval of the Board's Finance Committee or that Committee's failure to object after given two weeks' notice of the planned action, which actions may be appealed to the full Board by the Product Group.

The GPCFP may only be expended to fund the starting minimum annuity Grand Prize.

1803.02F The prize reserve shares of a Party Lottery may be adjusted with refunds to the Party Lottery from the prize reserve account(s) as may be needed to maintain the approved maximum balance and sales percentage shares of the Party Lotteries.

1803.02G A Party Lottery may contribute to its sales percentage share of prize reserve accounts over time, but in the event of a draw down from the reserve account, a Party Lottery is responsible for its full sales percentage share of the account, whether or not it has been paid in full.

1803.02H Any amount remaining in the Lotto America Game prize pools or prize reserve accounts when the Product Group declares the end of the game shall be returned to the lotteries participating in the prize pools

and prize reserve accounts after the end of all claim periods of all Selling Lotteries, carried forward to a replacement game, or otherwise expended in a manner at the election of the individual Members of the Product Group in accordance with jurisdiction statute.

1803.03 Expected Lotto America Prize Payout Percentages. The Grand Prize payout shall be determined on a pari-mutuel basis. Except as otherwise provided in these rules, all other prizes awarded shall be paid as single payment prizes. All prize payouts are made with the following expected prize payout percentages, which does not include any amount contributed to or held in prize reserves, although the prize payout percentages per draw may vary:

Number of Matches Per Play	Prize Payment	Prize Pool Percentage Allocated to Prize	Sales Percentage Allocated to Prize
All five (5) of first set plus one (1) of second set.	Grand Prize Value	46.1983*%	23.0991%
All five (5) of first set and none of second set.	\$20,000.00	1.3852%	0.6926%
Any four (4) of first set plus one (1) of second set.	\$1,000.00	1.8084%	0.9042%
Any four (4) of first set and none of second set.	\$100.00	1.6276%	0.8138%
Any three (3) of first set plus one (1) of second set.	\$20.00	1.6637%	0.8319%
Any three (3) of first set and none of second set.	\$5.00	3.7434%	1.8717%
Any two (2) of first set plus one (1) of second set.	\$5.00	6.2390%	3.1195%
Any one (1) of first set plus one (1) of second set.	\$2.00	13.7259%	6.8629%
None of first set plus one (1) of second set.	\$2.00	23.6085%	11.8043%
The maximum contribution rate may include contributions to reserves and pools as described in these rules			

1803.03A The prize money allocated to the Grand Prize category shall be divided equally by the number of Lotto America Plays winning the Grand Prize; see Rule 30.1(b) and (c).

1803.03B Lotto America Game Set Prize Pool (SPP) Carried Forward. The SPP (for single payment prizes of twenty thousand dollars (\$20,000) or less) shall be carried forward to subsequent draws if all or a portion of it is not needed to pay the set prizes awarded in the current draw.

1803.03C Pari-Mutuel Lotto America Game Prize Determinations.

1803.03C(1) If the total of the Lotto America Game Set Prizes (as multiplied by the All Star Bonus Multiplier if applicable) awarded in a drawing exceeds the percentage of the prize pool allocated to the Lotto America Game Set Prizes, then the amount needed to fund the Lotto America Game Set prizes, including All Star Bonus Multiplier prizes, awarded shall be drawn from the following sources, in the following order:

1803.03C(1)(i) the amount available in the SPP and the All Star Bonus Multiplier Prize Pool; and, if needed,

1803.03C(1)(ii) an amount from the PRA, if available, not to exceed the balance of the PRA; and, if needed,

1803.03C(1)(iii) an amount from the SAP, if available, not to exceed the balance of that pool.

1803.03C(2) If, after these sources are depleted, there are not sufficient funds to pay the Set Prizes, including the All Star Bonus Multiplier prizes, then the highest Set Prize shall become a pari-mutuel prize. If the amount of the highest Set Prize, including All Star Bonus Multiplier Prizes, when paid on a pari-mutuel basis, drops to or below the next highest Set Prize and there are still not sufficient funds to pay the remaining set prizes awarded, including All Star Bonus Multiplier prizes, then the next highest Set Prize shall become a pari-mutuel prize. This procedure shall continue down through all Set Prize levels, if necessary, until all Set Prize levels become pari-mutuel prize levels. In that instance, the money available from the funding sources listed in this rule shall be divided among the winning Plays in proportion to their respective prize percentages. Lotto America Game and All Star Bonus Multiplier prizes will be reduced by the same percentage.

1805.01 Grand Prize

1805.01A Grand Prizes shall be paid, at the election of the player made no later than sixty (60) days after the player becomes entitled to the prize, with either a per-winner annuity or single lump sum payment (which may be referred to as the “cash option”). If the payment election is not made at the time of purchase and is not made by the player within sixty (60) days after the player becomes entitled to the prize, then the prize shall be paid as an annuity prize. An election for an annuity payment made by a player before ticket purchase or by system default or design may be changed to a cash option payment at the election of the player until the expiration of sixty (60) days after the player becomes entitled to the prize. The election to take the cash option payment may be made at the time of the prize claim or within sixty (60) days after the player becomes entitled to the prize. An election made after the winner becomes entitled to the prize is final and cannot be revoked, withdrawn, or otherwise changed.

1805.01B Shares of the Grand Prize shall be determined by dividing the funds available in the GPP equally among all winning Plays of the Grand Prize. Winner(s) who elect a cash option payment shall be paid their share(s) in a single lump sum payment. The annuitized option prize shall be determined by multiplying a winner’s share of the Grand Prize pool by a process as approved by the MUSL Board. Neither MUSL nor the Selling Lotteries shall be responsible or liable for changes in the advertised or estimated annuity prize amount and the actual amount purchased after the prize payment method is actually known to MUSL.

1805.01C In certain instances announced by the Product Group, the Grand Prize shall be a guaranteed amount and shall be determined pursuant to Rule 30.5.

1805.01D If individual shares of the GPP funds held to fund an annuity is less than \$250,000.00, the Product Group, in its sole discretion, may elect to pay the winners their share of the funds held in the GPP.

1805.01E All annuitized prizes shall be paid annually in thirty (30) payments with the initial payment being made in a single payment, to be followed by twenty-nine (29) payments funded by the annuity. Except as may be controlled by a Selling Lottery’s governing statute, all annuitized prizes shall be paid annually in thirty (30) graduated payments (increasing each year) by a rate as determined by the Product Group. Prize payments may be rounded down to the nearest one thousand dollars (\$1,000.00). Annual payments after the initial payment shall be made by the lottery on the anniversary date or if such date falls on a non-business day, then the first business day following the anniversary date of the selection of the Grand Prize Winning Numbers.

1805.01F Funds for the initial payment of an annuitized prize or the lump sum cash option prize payment shall be made available by MUSL for payment by the Selling Lottery no earlier than the fifteenth calendar day (or the next banking day if the fifteenth day is a holiday) following the drawing. If necessary, when the due date for the payment of a prize occurs before the receipt of funds in the prize pool trust sufficient to pay the prize, the transfer of funds for the payment of the full lump sum cash option amount may be delayed pending receipt of funds from the Selling Lotteries. A paying lottery may elect to make the initial payment from its own funds after validation, with notice to MUSL.

1805.01G If a Party Lottery purchases or holds the prize payment annuity for a prize won in that jurisdiction, that Party Lottery’s game rules, and any prize payment agreement with the prize winner, shall indicate that the prize winner has no recourse on the MUSL or any other Party Lottery for payment of that prize.

1805.01H In the event of the death of a lottery winner during the annuity payment period, unless prohibited by jurisdictional law, the MUSL Finance Committee, in its sole discretion excepting a discretionary review by the Product Group, upon the petition of the estate of the lottery winner (the "Estate") to the lottery of the jurisdiction in which the deceased lottery winner purchased the winning Play, and subject to federal, state, district, or territorial applicable laws, may accelerate the payment of all of the remaining lottery proceeds to

the Estate. If such a determination is made, then securities and/or cash held to fund the deceased lottery winner's annuitized prize may be distributed to the Estate. The identification of the securities to fund the annuitized prize shall be at the sole discretion of the Finance Committee or the Product Group.

1805.01I If a Party Lottery purchases or holds the prize payment annuity for a prize won in that jurisdiction, that Party Lottery's game rules, and any prize payment agreement with the prize winner, shall indicate that the prize winner has no recourse on the MUSL or any other Party Lottery for payment of that prize.

1805.02 Lotto America Prize Payments. All prizes (whether described as "cash" payment prizes or otherwise) shall be paid through the Selling Lottery that sold the winning Play(s) and at the discretion of the Selling Lottery that sold the winning Play(s) may be paid by cash, check, warrant or electronic transfer.

A Selling Lottery may begin paying low-tier prizes after receiving authorization to pay from the MUSL central office.

1805.03 Lotto America Prizes Rounded. Annuitized payments of the Grand Prize or a share of the Grand Prize may be rounded to facilitate the purchase of an appropriate funding mechanism. Breakage on an annuitized Grand Prize win shall be added to the first payment to the winner or winners.

Prizes other than the Grand Prize, which, under these rules, may become single-payment, pari-mutuel prizes, may be rounded down so that prizes can be paid in multiples of whole dollars. Breakage resulting from rounding these prizes shall be carried forward to the prize pool for the next drawing.

1805.04 Lotto America Prize Rollover. If the Grand Prize is not won in a drawing, the prize money allocated for the Grand Prize shall roll over and be added to the GPP for the following drawing.

1805.05 Funding of Guaranteed Lotto America Prizes.

1805.05A The Product Group may offer guaranteed minimum Grand Prize amounts or minimum increases in the Grand Prize amount between drawings or make other changes in the allocation of prize money where the Product Group finds that it would be in the best interest of the game. The Product Group may delegate this responsibility to the Chair and Vice Chair of the Product Group.

1805.05B If a minimum Grand Prize amount or a minimum increase in the Grand Prize amount between drawings is offered by the Product Group, then the Grand Prize shares shall be determined as follows:

1805.05B(1) If there are multiple Grand Prize winners during a single drawing, each selecting the annuitized option prize, then a winner's share of the guaranteed annuitized Grand Prize shall be determined by dividing the guaranteed annuitized Grand Prize by the number of winning Plays;

1805.05B(2) If there are multiple Grand Prize winners during a single drawing and at least one (1) of the Grand Prize winners has elected the annuitized option prize, then the MUSL Annuity Factor shall be utilized to determine the cash pool. The cost of the annuitized prize(s) will be determined at the time the annuity is purchased through a process as approved by the MUSL Board;

1805.05B(3) If no winner of the Grand Prize during a single drawing has elected the annuitized option prize, then the amount of cash in the GPP shall be an amount equal to the guaranteed annuitized amount divided by the MUSL Annuity Factor.

1805.05C Minimum guaranteed prizes or increases may be waived by the Product Group if the alternate funding mechanism set out in Rule 28.3(c) becomes necessary. The Product Group may delegate authority to the Chair and Vice Chair of the Group to determine the guaranteed minimum Grand Prize amounts and minimum increases in the Grand Prize amount.

1805.06 Limited to Highest Lotto America Prize Won. The holder of a winning Play may win only one (1) prize per Play in connection with the Winning Numbers drawn and shall be entitled only to the prize won by those numbers in the highest matching prize category. All liabilities for a Lotto America prize are discharged upon payment of a prize claim.

1805.07 **Lotto America Prize Claim Period.** Prize claims shall be submitted within the period set by the Selling Lottery selling the Play. If no such claim period is established, all Grand Prize claims shall be made within one hundred eighty (180) days after the drawing date.

1806 PLAY VALIDATION

1806.01 To be a valid Play and eligible to receive a prize, a Play's ticket or ticketless transaction shall satisfy all the requirements established by a Party Lottery for validation of winning Plays sold through its computer gaming system and any other validation requirements adopted by the Product Group, the MUSL Board, and published as the Confidential MUSL Minimum Game Security Standards. The MUSL and the Party Lotteries shall not be responsible for tickets or ticketless transactions that are altered in any manner.

1806.02 Under no circumstances will a claim be paid for any prize without an official Lotto America ticket (or validly registered ticketless transaction) matching all game Play, serial number and other validation data residing in the selling Party Lottery's computer gaming system and unless otherwise permitted by the selling Party Lottery such ticket (or validly registered ticketless transaction) shall be the only valid proof of the wager placed and the only valid receipt for claiming or redeeming such prize.

1806.03 In addition to the above, in order to be deemed a valid, winning Play, unless the Play is a validly registered ticketless transaction, all of the following conditions must be met:

1806.03A The validation data must be present in its entirety and must correspond, using the computer validation file, to the number selections printed on the ticket for the drawing date(s) printed on the ticket;

1806.03B The ticket must be intact;

1806.03C The ticket must not be mutilated, altered, reconstituted, or tampered with in any manner;

1806.03D The ticket must not be counterfeit or an exact duplicate of another winning ticket;

1806.03E The ticket must have been issued by an authorized sales agent, or retailer of the selling Party Lottery and printed on paper in compliance with MUSL Rule 2;

1806.03F The ticket must not have been stolen, to the knowledge of the Party Lottery;

1806.03G The Play data must have been recorded on the computer gaming system prior to the drawing and the Play data must match this computer record in every respect. In the event of a contradiction between information as printed on the ticket and as accepted by the Party Lottery's computer gaming system, the wager accepted by the Party Lottery's computer gaming system shall be the valid wager;

1806.03H The player or computer pick number selections, validation data and the drawing date(s) of an apparent winning Play must appear on the official file of winning Plays, and a Play with that exact data must not have been previously paid;

1806.03I The play must not be misregistered, and the Play's ticket must not be defectively printed or printed or produced in error to an extent that it cannot be processed by the Party Lottery that issued the Play;

1806.03J The Play must pass all confidential security checks of the Party Lottery that issued the Play;

1806.03K In submitting a Play for validation, the claimant agrees to abide by applicable laws, all rules and regulations, instructions, conditions and final decisions of the Director of the Party Lottery that issued the Play;

1806.03L There must not be any other breach of these Rules in relation to the Play that, in the opinion of the Director of the Party Lottery that issued the Play, justifies invalidation;

1806.03M The Play must be submitted to the Party Lottery that issued it;

1806.03N Ticketless transaction Plays must meet the validation requirements of the Party Lottery that issued the Play.

1806.04 A Play submitted for validation that fails any of the preceding validation conditions shall be considered void, subject to the following determinations:

1806.04A In all cases of doubt, the determination of the Party Lottery that sold the Play, shall be final and binding; however, the Party Lottery may, at its option, replace an invalid Play with a Play of equivalent sales price;

1806.04B In the event a defective ticket is purchased or in the event the Party Lottery determines to adjust an error, the Claimant's sole and exclusive remedy shall be the replacement of such defective or erroneous ticket(s) with a Play of equivalent sales price;

1806.04C In the event a Play is not paid by a Party Lottery, and a dispute occurs as to whether the Play is a winning Play, the Party Lottery may, at its option, replace the Play as provided in paragraph (a) of this subsection. This shall be the sole and exclusive remedy of the Claimant unless the laws or regulations governing the Party Lottery provide for further administrative review.

1807 PLAY RESPONSIBILITY

1807.01 Prize Claims. Prize claim procedures shall be governed by the rules of the Selling Lottery. The MUSL and the Selling Lotteries shall not be responsible for prizes that are not claimed following the proper procedures as determined by the selling lottery.

1807.02 Stolen Tickets. The Product Group, the MUSL and the Party Lotteries shall not be responsible for lost or stolen Plays.

1807.03 Ticketless Transactions. A Ticketless Transaction Play is only valid when registered with the lottery in accordance with lottery rules, these Rules, and the MUSL Rules. The person or, if permitted by the lottery rules, the persons registering the Play shall be the owner of the Ticketless Transaction Play. A receipt for a Ticketless Transaction Play has no value and is not evidence of a Play.

1807.04 Agent or Retailer Errors. The Party Lotteries shall not be responsible to a prize claimant for Plays redeemed in error by a selling agent or retailer.

1807.05 Audited Results. Winners are determined by the numbers drawn and certified by the independent auditor responsible for auditing the draw. MUSL and the Party Lotteries are not responsible for winning numbers reported in error.

1808 INELIGIBLE PLAYERS

1808.01 A Play or share for a MUSL game issued by the MUSL or any of its Party Lotteries shall not be purchased by, and a prize won by any such Play or share shall not be paid to:

1808.01A a MUSL employee, officer, or director;

1808.01B a contractor or consultant under agreement with the MUSL to review the MUSL audit and security procedures;

1808.01C an employee of an independent accounting firm under contract with MUSL to observe drawings or site operations and actually assigned to the MUSL account and all partners, shareholders, or owners in the local office of the firm; or

1808.01D an immediate family member (parent, stepparent, child, stepchild, spouse, or sibling) of an individual described in subsections (a), (b), and (c) and residing in the same household.

1808.02 Those persons designated by a Selling Lottery's law as ineligible to play its games shall also be ineligible to play the Lotto America game in that Selling Lottery's jurisdiction.

1809 APPLICABLE LAW

1809.01 In purchasing a Play, or attempting to claim a prize, purchasers and prize claimants agree to comply with and abide by all applicable laws, rules, regulations, procedures, and decisions of the Selling Lottery where the Play was purchased, and by directives and determinations of the director of that Party Lottery.

A prize claimant agrees, as its sole and exclusive remedy that claims arising out of a Lotto America Play can only be pursued against the Selling Lottery which issued the Play. Litigation, if any, shall only be maintained within the jurisdiction in which the Lotto America Play was purchased and only against the Selling Lottery that issued the Play. No claim shall be made against any other Participating Lottery or against MUSL.

Nothing in these Rules shall be construed as a waiver of any defense or claim the Selling Lottery which issued the Play, any other Participating Lottery or MUSL may have in any litigation, including in the event a player or prize claimant pursues litigation against the Selling Lottery, any other Participating Lottery or MUSL, or their respective officers, directors or employees.

All decisions made by a Selling Lottery, including the declaration of prizes and the payment thereof and the interpretation of Lotto America Rules, shall be final and binding on all Play purchasers and on every person making a prize claim in respect thereof, but only in the jurisdiction where the Lotto America Play was issued.

Unless the laws, rules, regulations, procedures, and decisions of the Lottery which issued the Play provide otherwise, no prize shall be paid upon a Play purchased, claimed or sold in violation of these Rules or the laws, rules, regulations, procedures, and decisions of that Selling Lottery; any such prize claimed but unpaid shall constitute an unclaimed prize under these Rules and the laws, rules, regulations, procedures, and decisions of that Selling Lottery.

1810 LOTTO AMERICA ALL STAR BONUS MULTIPLIER PROMOTION

1810.01 **Promotion Description.** The Lotto America All Star Bonus® Multiplier Option is a limited extension of the Lotto America Game and is conducted in accordance with the Lotto America Game Rules and other lottery rules applicable to the Lotto America Game except as may be amended herein. The Promotion will begin at a time announced by the Member Lottery and will continue until discontinued by the lottery. The Promotion will offer to the owners of a qualifying Play a chance to multiply the amount of any of the eight lump sum Set Prizes (the lump sum prizes normally paying \$2.00 to \$20,000.00) won in a drawing held during the Promotion. The Grand Prize is not a Set Prize and will not be multiplied. Participating lotteries may require purchase of the All Star Bonus Promotion when a player purchases a Lotto America Play.

1810.02 **Qualifying Play.** A qualifying Play is any single Lotto America Game Play for which the player pays an extra dollar for the All Start Bonus Multiplier option and that is recorded at the Member Lottery's computer gaming system as a qualifying All Star Bonus Multiplier Play.

1810.03 Prizes to be Multiplied. Except as provided in these rules, a qualifying Play which wins one of the Set Prizes will be multiplied by the number selected, either two, three, four or five (2, 3, 4 or 5), in a separate random All Star Bonus Multiplier drawing announced by the Product Group.

1810.04 Lotto America All Star Bonus Drawings. MUSL will conduct a separate random "All Star Bonus" drawing and announce the results. During each 2-5X Multiplier drawing a single number (2, 3, 4 or 5) shall be drawn. The Lotto America Game Group may modify the multiplier features for special promotions from time to time.

1810.05 Lotto America All Star Bonus Multiplier Prize Pool.

1810.05A The All Star Bonus Multiplier Prize Pool (MPP) is hereby created, and which is used to fund All Star Bonus Multiplier prizes. The MPP shall hold the temporary balances that may result from having fewer than expected winners in All Star Bonus Multiplier. The source of the MPP is the Party Lottery's weekly prize contributions less actual All Star Bonus Multiplier Prize liability.

1810.05B In total, fifty percent (50%) of each draw's sales shall be collected for the payment of prizes:

1810.05B(1) The expected payout for all prize categories shall consist of up to forty-nine and five hundred ninety-eight thousandths' percent (49.598%) of each drawing period's sales, including any specific statutorily mandated tax of a Selling Lottery to be included in the price of a lottery ticket.

1810.05B(2) An additional four-hundred and two thousandths' percent (0.402%) of each drawing period's sales, including any specific statutorily mandated tax of a Selling Lottery to be included in the price of a lottery ticket, may be collected and placed in trust in the MPP, for the purpose of paying All Star Bonus Multiplier prizes.

1810.05C The prize payout percentage per draw may vary. The MPP shall be carried forward to subsequent draws if all or a portion of it is not needed to pay the set prizes awarded in the current draw and held in the MPP.

1810.06 End of Game. Any amounts remaining in the MPP when the Product Group declares the end of this game shall be returned to the lotteries participating in the pool after the end of all claim periods of all Party Lotteries, carried forward to a replacement game, or otherwise expended in a manner as directed by the individual Members of the Product Group in accordance with jurisdiction law.

1810.07 Expected Prize Payout. Except as provided in these rules, all prizes awarded shall be paid as lump sum set prizes. Instead of the Lotto America Game set prize amounts, qualifying All Star Bonus Multiplier Plays will pay the amounts shown:

Lotto America Prize Amount Lotto America All Star Bonus Multiplier					
Set Prize Amount 5X 4X 3X 2X					
Match 5+0	\$20,000.00	\$100,000.00	\$80,000.00	\$60,000.00	\$40,000.00
Match 4+1	\$1,000.00	\$5,000.00	\$4,000.00	\$3,000.00	\$2,000.00
Match 4+0	\$100.00	\$500.00	\$400.00	\$300.00	\$200.00
Match 3+1	\$20.00	\$100.00	\$80.00	\$60.00	\$40.00
Match 3+0	\$5.00	\$25.00	\$20.00	\$15.00	\$10.00
Match 2+1	\$5.00	\$25.00	\$20.00	\$15.00	\$10.00
Match 1+1	\$2.00	\$10.00	\$8.00	\$6.00	\$4.00
Match 0+1	\$2.00	\$10.00	\$8.00	\$6.00	\$4.00

In certain rare instances, the Lotto America Game set prize amount may be less than the amount shown. In such case, the eight (8) lowest Power Play prizes will be changed to an amount announced after the draw. For example, if the Match 4+1 Lotto America set prize amount of \$1,000.00 becomes \$500.00 under the rules of the Lotto America game and a 5x multiplier is selected, then an All Star Bonus player winning that prize amount would win \$2,500.00.

1810.08 Probability of Prize Increase. The following table sets forth the probability of the various All Star Bonus Multiplier numbers being drawn during a single 2X-5X Multiplier drawing. The Group may elect to run limited promotions that may modify the multiplier features.

All Star Bonus Multiplier Probability of Prize Increase Chance of Occurrence

5X - Prize Won Times 5 3 in 32 9.3750%

4X - Prize Won Times 4 4 in 32 12.5000%

3X - Prize Won Times 3 10 in 32 31.2500%

2X - Prize Won Times 2 15 in 32 46.8750%

All Star Bonus Multiplier does not apply to the Grand Prize.

1810.09 Limitations on Payment of All Star Bonus Prizes.

1810.09A Pari-Mutuel Prizes—All Prize Amounts.

1810.09A(1) If the total of the original Lotto America Game set prizes and the multiplied All Star Bonus Multiplier set prizes awarded in a drawing exceeds the percentage of the prize pools allocated to the set prizes and All Star Bonus Multiplier prizes, then the amount needed to fund the Set Prizes (including the All Star Bonus Multiplier prize amounts) awarded shall be drawn from the following sources, in the following order:

1810.09A(1)(a) the amount available in the SPP allocated to the set prizes and the MPP, if any;

1812.01A(1)(b) an amount from the PRA up to, if available, not to exceed the balance of the PRA; and,

1810.09A(1)(c) an amount from the SAP, if available, not to exceed the balance of that pool.

1810.09A(2) If, after these sources are depleted, there are not sufficient funds to pay the Set Prizes awarded (including All Star Bonus Multiplier prizes), then the highest Set Prize (including the All Star Bonus Multiplier prizes) shall become a pari-mutuel prize. If the amount of the highest Set Prize (including the All Star Bonus Multiplier Prizes) when paid on a pari-mutuel basis, drops to or below the next highest Set Prize (including the All Star Bonus Multiplier Prizes) and there are still not sufficient funds to pay the remaining Set Prizes awarded, then the next highest Set Prize (including the All Star Bonus Multiplier prize) shall become a pari-mutuel prize. This procedure shall continue down through all Set Prize levels, if necessary, until all Set Prize levels become pari-mutuel prize levels. In that instance, the money available from the funding sources listed in this rule shall be divided among the winning Plays in proportion to their respective prize percentages. Lotto America Game and All Star Bonus Multiplier prizes will be reduced by the same percentage. Monies from the Grand Prize Pool may not be used to fund Set Prizes or All-Star Bonus Multiplier prize payments.

1810.10 Prize Payment.

1810.10A Prize Payments. All All Star Bonus Multiplier prizes shall be paid in one lump sum through the Member Lottery that sold the winning Play(s). A Member Lottery may begin paying All Star Bonus Multiplier prizes after receiving authorization to pay from the MUSL central office.

1810.10B Prizes Rounded. Prizes that, under these rules, may become pari-mutuel prizes, may be rounded down so that prizes can be paid in multiples of whole dollars. Breakage resulting from rounding these prizes shall be carried forward to the MPP for the next drawing.

CHAPTER 1900 NEBRASKA PICK 4

REG-1901 GAME DESCRIPTION

1901.01 General. Nebraska Pick 4 is an on-line lottery game which pays all prizes on a cash basis except as provided in these regulations or in the Nebraska Pick 4 game rules. To play Nebraska Pick 4, a player shall select four (4) different numbers as established in the Nebraska Pick 4 game rules, which game rules shall be developed pursuant to Reg-208.05. The numbers selected are inputted into a terminal. Nebraska Pick 4 tickets shall be purchased from a terminal operated by the Division or a Lottery Game Retailer. Each play costs one dollar (\$1). The player shall select a set of four (4) numbers by communicating the numbers to the terminal operator, or by hand-marking four (4) numbered squares in any one game play area on a play slip and submitting the play slip to the terminal operator, or by requesting a computer “quick pick” from the terminal operator. The terminal operator will then issue a Nebraska Pick 4 ticket, via the terminal, containing the selected set or sets of numbers, each of which constitutes a Nebraska Pick 4 game play.

1901.02 Claims. A Nebraska Pick 4 ticket (subject to the validation requirements set forth in Reg-1905 Nebraska Pick 4 Ticket Validation) shall be the only proof of a Nebraska Pick 4 game play or plays, and the submission of a winning Nebraska Pick 4 ticket to the Division, or an authorized Lottery Game Retailer shall be the sole method of claiming a prize or prizes. A play slip has no pecuniary or prize value and shall not constitute evidence of a Nebraska Pick 4 ticket purchase or of numbers selected.

1901.03 Cancellations Prohibited. A Nebraska Pick 4 ticket may not be voided or canceled by returning the Nebraska Pick 4 ticket to the selling Lottery Game Retailer or to the Division, including Nebraska Pick 4 tickets which are printed in error. No Nebraska Pick 4 ticket which can be used to claim a prize shall be returned to the Division for credit. Nebraska Pick 4 tickets accepted by Lottery Game Retailers as returned tickets will remain charged to the Lottery Game Retailer’s account. Ownership of the tickets is in bearer form until the ticket is signed on the reverse side. Lottery Game Retailers who accept unsigned Nebraska Pick 4 tickets as returned tickets and who cannot re-sell those tickets shall be deemed the owners of those tickets.

1901.04 Player Responsibility. It shall be the sole responsibility of the player to verify the accuracy of the Nebraska Pick 4 game play or plays and other data printed on the Nebraska Pick 4 ticket. The placing of Nebraska Pick 4 plays is done at the player’s own risk through the on-line terminal operator who is acting on behalf of the player in entering the Nebraska Pick 4 play or plays.

1901.05 Entry of Plays. Nebraska Pick 4 plays may only be entered manually using the on-line lottery terminal keypad (including a computer “quick pick”) or by means of a play slip provided by the Division. A Lottery Game Retailer shall not permit the use of facsimiles of play slips, copies of play slips, or other materials that are inserted into the terminal’s play slip reader that are not printed or approved by the Division. Lottery Game Retailers shall not permit any device to be connected to an on-line lottery terminal to enter Nebraska Pick 4 plays, except as approved by the Division. Any play slip number selection by a method other than hand-marked by the player and any resulting ticket shall be invalid.

1901.06 Drawings. Drawings shall be held at the times and places established by the Division in the Nebraska Pick 4 game rules and the results shall be subsequently announced to the public.

1901.06A The Director shall determine the time for the end of sales prior to the drawings. On-line terminals shall not process on-line tickets for that drawing after the time established by the Director.

1901.06B The Division shall designate the type of drawing equipment to be used and shall establish drawing procedures to randomly select the winning combination and to ensure the integrity of the drawing process.

REG-1902 PRIZE POOL

1902.01 Prize Pool. The prize pool for all prize categories shall be established in the Nebraska Pick 4 game rules and shall consist of a percentage of each drawing period's sales as established in the Nebraska Pick 4 game rules. Any amount remaining in the prize pool at the end of the game shall be carried forward to a replacement game or expended in a manner as directed by the Director in accordance with the State Lottery Act.

1902.02 Expected Prize Payout Percentages. All prizes shall be set out in the Nebraska Pick 4 game rules.

REG-1903 PROBABILITY OF WINNING

1903.01 Probability of Winning. The probability of winning and the probable distribution of winners in and among each prize category shall be set out in the Nebraska Pick 4 game rules. All prizes shall be cash prizes, even if determined on a pari-mutuel basis.

REG-1904 PRIZE PAYMENT

1904.01 Cash Prize Payments. All prizes shall be paid in cash by either a Lottery Game Retailer or at a Division claim center.

1904.02 Guaranteed Prizes. The Division may make changes in the prize structure, prize pool, probability of winning or the probable distribution of winners when the Division finds that it would be in the best interest of the Nebraska Pick 4 game and the Division.

1904.03 Limited to Highest Prize Won. The holder of a winning Nebraska Pick 4 ticket may win only one prize per game play area in connection with the winning Nebraska Pick 4 numbers drawn and shall be entitled only to the prize won by those numbers in the highest matching prize category.

1904.04 Prize Claim Period. Prize claims shall be submitted within the period set forth in Reg-602.05.

REG-1905 TICKET VALIDATION

1905.01 Ticket Validation. To be a valid Nebraska Pick 4 ticket and eligible to receive a prize, a ticket shall satisfy all the requirements set forth in REG-603 for validation of winning tickets and any other validation requirements adopted by the Division in the Confidential Nebraska Lottery Minimum Game Security Standards. The Division shall not be responsible for Nebraska Pick 4 tickets which are altered in any manner.

REG-1906 TICKET RESPONSIBILITY

1906.01 Signature. Until such time as a signature is placed upon a Nebraska Pick 4 ticket in the area designated for signature, a Nebraska Pick 4 ticket shall be deemed owned by the ticket bearer. When a signature is placed on the Nebraska Pick 4 ticket in the place designated, the person whose signature appears in such area shall be the owner of the ticket and shall be entitled to any prize attributable thereto, except as provided in these regulations.

1906.02 Stolen Tickets. The Division shall not be responsible for lost or stolen Nebraska Pick 4 tickets.

REG-1907 INELIGIBLE PLAYERS

1907.01 General. A Nebraska Pick 4 ticket or share shall not be purchased by, and a prize won by any such Nebraska Pick 4 ticket or share shall not be paid to:

1907.01C An immediate family member (parent, stepparent, child, stepchild, spouse, or sibling) of an individual described in Reg-1907.01A, 1907.01B and 1907.01C and residing in the same household.

REG-1908 APPLICABLE LAW
