MAY/JUNE 2020

RFP Time

All of us are currently faced with a catalyst that has changed the way we think about many aspects of our lives. Change is sometimes inevitable. At the lottery, we are undergoing a process that will see changes for the future.

On March 30, we issued what is called a Request for Proposals (RFP) for a primary vendor of Instant and Online Games and Related Services. Our contract with our current vendor is due to expire next year. As a government agency, we are required to request an RFP to ensure that we are receiving a quality of service that best suits our needs.

The selection of our vendor has not yet occurred, but the changes that will be implemented are ones that will happen whether we choose a new vendor or not. Retailers will see that the biggest changes are going to be updated terminals with upgraded functionality and user interfaces. Those changes will begin to take hold July 1, 2021.

Caesars Second-chance Promotion

It may seem like a weird time to run a promotion where the top prize is a trip, but fortunately, the winners don't have to take the trip right away

With our Caesars second-chance promotion, winners will enter non-winning \$5 Caesars scratch tickets through our MVP Club for a chance to win a VIP trip for two to Las Vegas. There are two drawings for the contest. Tickets entered from May 18 thru June 22 will be eligible for a drawing on June 23. Entries from June 23 to July 27 will be eligible for the July 28 drawing.

With the current climate, players may not feel comfortable traveling and we totally understand that, which is why players can schedule the trip at their discretion. The winners will have one year from the date they claim their prize to go on the trip. So, waiting for things to quiet down before going on that trip is totally reasonable.

Lottery Retailer Update

During this uncertain time, the Nebraska Lottery thanks all of our retailers for their continued support. Lottery retailers provide the vital link between our products, our customers, and the beneficiary programs we support. We appreciate everything that you do to help build a better Nebraska.

The Nebraska Lottery is operating under State guidelines during the current health emergency so we can continue to support good causes. As a lottery retailer, there are several tools at your disposal to keep your staff and players safe during the coronavirus pandemic.

- **Check-A-Ticket:** encourage players to use the Check-A-Ticket scanner to sort out winning tickets for payment. If you would like to move your Check-A-Ticket for social distancing contact the Lottery Retailer Hotline at 800-560-2919.
- **Claim prizes by mail:** players can claim prizes up to \$19,999 by mail. Claiming by mail is secure and Lottery staff process mailed claims in a timely manner.
- **Multi-draw tickets:** Lotto numbers can be purchased for up to 12 weeks of drawings with a multi-draw ticket. Multi-draws help cut down on retailer trips and ensure players never miss a drawing.
- **Store policies:** retailers determine their hours for selling and redeeming tickets, the types of payments accepted for lottery purchases, and can set cashing limits. Please post any policy updates so your customers are aware.
- **Cleaning equipment:** cleaning your lottery equipment frequently is recommended. Keep in mind that the touchscreen of the terminal is very sensitive to all types of liquids. Please refrain from spraying cleaner directly onto the equipment, and follow the disinfectant instructions for additional guidance.
- **Maintain social distance:** remind customers to keep at least 6 feet of space between staff and customers when possible. Discourage customers from loitering or limit the number of customers in your location at a time.

The coronavirus pandemic has forced many businesses to adjust their operations. If your store would like to do so, please contact your LSR or call the Nebraska Lottery at 402-471-6100 for more information.

Our Winning Retailers

RETAILER SPOTLIGHT

On April 30, Samuel Ibarra Aguirre walked into Tom's Midwest Liquors in Lexington and bought a single Nebraska Pick 5 quick pick ticket.

Ibarra Aguirre wound up hitting that night's \$110,000 Pick 5 jackpot, a game that he doesn't regularly play.

That's become pretty common around there in the last few months, said Suzanne Bielser, a clerk at Tom's Midwest Liquors.

The store, owned by Tom Mooberry, has been offering Nebraska Lottery games since the lottery started. In addition to the \$110,000 win, Tom's has had a large number of \$1,000 Scratch winners come through there in that time as well as a \$10,000 10X the Money Scratch game winner back in 2015 and a \$122,000 Pick 5 jackpot winner in 2016.

With numerous Lexington workers furloughed or even laid off due to the coronavirus outbreak, Bielser said they've seen an increase in Scratch and Lotto sales at their store, as well as liquor and snack sales.

"With bars and restaurants closed, people are looking for something to do," she said. "We have our regulars and then we'll have the people who grab a Truck\$ & Buck\$ with a six pack."

Even the number of people fishing has gone up lately, Bielser said. Tom's has a large tank filled with crawdads and minnows next to a fridge filled with nightcrawlers and leeches. They were waiting on another shipment of minnows to be ready in time for Memorial Day weekend.

Lexington has a large Spanish-speaking population and Bielser has picked up enough Spanish that she can easily switch back and forth to English depending on who's standing at the counter. Tom's, she said, is also the largest retailer of Corona and Modelo beer in Nebraska.

Ibarra Aguirre's winning ticket was sold to him by clerk Rudy Honeysette. The two used to work together at another retailer, Honeysette said, and the win couldn't have happened to a better guy.

"It's good to see someone deserving win," Honeysette said. "It's a good feeling."

Tom's Midwest Liquors is located at 710 S Washington Street in Lexington.
