SEPTEMBER/OCTOBER 2021

### Another Year

Here we are at the penultimate season of another year that has come and nearly gone, but while many are looking ahead to the changing of the leaves, we are already looking ahead to the falling of the snow.

Believe it or not, we are prepared for the launch of several holiday themed games to stuff stockings with this year. Merry Match 2! and Holiday Prize Lines will be familiar to our regular players, but the introduction of our newest holiday game, Grandma Got Run Over By a Reindeer™, will be sure to draw attention as well.

As the trees begin to change color and the leaves fall, we look to finalize a change we have been in the process of implementing the entire year – conversion. Our retail terminals are all in place and the final piece of the puzzle is to upgrade the system software across the board.

This has been a tremendous year for our events team as they have been able to go back into the world this year and interact with our players once again. They capped their summer tour off with their longest engagement of the year the Nebraska State Fair with positive results.

Overall, we are happy with the trajectory we've been on this year and we owe a good deal of our success to the relationships we have with our retail partners.

## Holiday Games Arrive October 25

Get ready for a great lineup of holiday games and a holiday second-chance promotion. \$1 Merry Match 2!, \$3 Holiday Prize Lines, and \$5 Grandma Got Run Over By A Reindeer™ will launch on October 25.

The \$1 Merry Match 2! Scratch game has three top prizes of \$10,000 to win. Each ticket has a To: and From: area on the front so they're perfect for holiday gift giving.

The \$3 Holiday Prize Lines Scratch game features 16 chances to win on every ticket. Match four symbols in one of the 16 lines to win up to \$30,000.

The \$5 Grandma Got Run Over By a Reindeer™ game is based on the classic song of the same name. Match the Winning Numbers to any of the 20 Your Numbers to win up to \$50,000.

All three holiday Scratch games will start shipping to Nebraska Lottery retailers October 25. Non-winning holiday tickets can be entered at nelottery.com for a chance to win \$1,000, \$3,000, or \$5,000 in the Sleigh Full of Joy promotion.

## Powerball Double Play

If you've had customers ask about Double Play and thought, "What the heck is Double Play?" this article is for you.

Double Play is a new add-on feature to Powerball offered by 13 lotteries. For an additional \$1 per play, players have a chance to win prizes in a second drawing.

The Nebraska Lottery is not offering Double Play at this time. We're evaluating the results from other lotteries to see if it's a good fit for our product lineup. However, lotteries in Colorado, Missouri, and South Dakota do offer Double Play, so players traveling from those states may ask for it. The Power Play add-on is separate from Double Play and can still be purchased for an additional \$1 per play.

## RESEARCH MAKES THE DIFFERENCE

Lottery players are one of the best resources for developing new games and promotions. The Nebraska Lottery's research efforts are designed to regularly collect the opinions of players and provide data to guide our operations.

If you would like to participate in Lottery research, just become a member of our MVP Club at nelottery.com. It's free to join and allows you to participate in members-only research. The Fall Research Survey running October 7 - 20 is designed to gather information on our current Lotto game lineup. Players that take the survey are entered into a drawing for a chance to win up to \$900 in Scratch tickets.

Another survey opportunity is the Opinion Survey at nelottery.com/opinion. Lotto players enter information from a recently-purchased ticket and are then shown one of several surveys on various Lottery topics. Each month one winner is selected from all the survey respondents that month to win \$500.

Visit nelottery.com for more information on Lottery research opportunities.

## Terminal Conversion Update

Final system conversion will occur on October 17. The terminal system will have a late start on the 17th. More details will be sent via terminal message to all retailers.

Training for the new Aurora system will be available via the Learning Wizard online portal. Your LSR will provide you with the information for accessing the online training in the upcoming weeks.

If you are currently receiving lottery statements via email, the email address these statements are sent from will be changing. Beginning October 24, 2021, Lottery statements will be sent from donotreply@lotteryservices.com. Please add this email address to your Safe Sender List to ensure you receive your statement.

## Our Gift to You

As a thank you for being a valued Nebraska Lottery retailer, our

LSRs will soon be distributing \$5 Scratch coupons to stores that allow employee gifts. LSRs will have premium prizes for anyone under the age of 19. We appreciate your support as we help to build a better Nebraska.

## Caesars Second Chance Winner

Diane Trausch in the lobby of Caesars Palace in Las Vegas.

They say "What happens in Vegas stays in Vegas" but for one Nebraska Lottery winner, it took a while to even get to Vegas.

On June 23, 2020, Diane Trausch of Hastings won our Caesars Second Chance Promotion. Her prize included a VIP trip package for two to Las Vegas, including airfare, hotel, VIP passes to shows and some spending money.

When the pandemic hit, we decided we'd still continue with our promotion, even if it meant travel had to be delayed a little bit.

Trausch was finally able to take her trip this September and wound up having a great time. She wandered the Las Vegas Strip, rubbed elbows with celebrities at Madame Tussaud's Wax Museum and got some great seats at a Cirque du Soleil show at the Bellagio.

"COVID delayed us going, but we were not disappointed," Trausch said. "Best trip ever, compliments of the Nebraska Lottery!"

## In-Store Coupons

There's a new padded coupon offer coming to your store soon. In November, players can get one Powerball Power Play ticket good for three draws for just \$6 – a \$3 discount. This coupon will run through the end of December.

**State Fair Recap!** The 2021 Nebraska State Fair was one for the books. The Nebraska Lottery Events Team battled wind gusts, heat and rain storms in Grand Island, but were undeterred in their duties.

We switched things up a little bit when we moved to our new location along State Fair Boulevard. By all accounts, the move was a good one.

While the fair overall saw a decline in attendance, Lottery sales were on track with some of our top-performing years with figures totaling more than \$100,000 over the course of the 11-day engagement.

Not only was the fair a good time for us, but it was probably even better for some of our lucky players. One lucky fair attendant won \$5,000 playing MyDaY at the fair. Some fair food and \$5,000. Not a bad day at the fair.

# Our Winning Retailers

## RETAILER SPOTLIGHT

Sometimes things just come together at exactly the right time.

That happened recently to Phillip Mizell of Lincoln who claimed a \$40,000-winning Frosty Fun Scratch ticket just three days before the game was set to expire.

Last year he entered non-winning holiday

Nebraska Lottery Scratch tickets in the 2020 Jolliest Holiday Second Chance promotion and kept them all in a big pile. Toward the end of the contest, Mizell received a Scratch coupon for taking one of our online surveys. He bought the last few of the Jolliest Holiday Promotion-eligible tickets the store had—the \$1 Jolly Jackpot Scratch ticket—and decided to grab a \$5 Frosty Fun Scratch ticket as well.

Frosty Fun wasn't eligible for the promotion, but Mizell placed it unscratched in the pile with his non-winning tickets and then just kind of forgot about it. For months. The holidays came and went and no one had claimed the final top prize for Frosty Fun. We decided to close the game on April 7 of this year, giving players until October 4 to claim any remaining prizes they were holding onto.

Sometimes we just don't get to give out a top prize, for whatever reason. Sometimes players don't realize they've won and throw it away without checking it, sometimes they lose the ticket, sometimes it expires before it's claimed and sometimes it just doesn't sell. Mizell's ticket was nearly one of those expired tragedies.

Just a few days ago he was doing some cleaning and found his stack of holiday Scratch tickets along with the unscratched Frosty Fun ticket.

"I nearly threw them out," he said.

Before tossing them in the trash can, Mizell noticed one of the tickets was unscratched. He scratched it off and revealed the top prize.

He brought it right into the Nebraska Lottery's Lincoln offices on October 1 to claim it and just in time. With only three days to spare before the October 4 expiration date, Mizell successfully claimed his prize.

So, what would have happened to the prize money if it had gone unclaimed? Unclaimed prize money goes back into the prize pool for other games. The retailer bonus—one percent of the total win—would also go back into the prize pool.

The Hy-Vee Food Store at 7151 Stacy Lane in Lincoln sold the winning ticket and will be receiving a \$400 bonus for selling the winning Frosty Fun ticket.

Sometimes things just work out thanks to the magic of the holidays. Even if it is October.
