

Ask for the Survey!

Each month, your store has a chance to win Nebraska Lottery prizes for the lottery selling clerks in your store by encouraging your lotto players to take the survey featured on the bottom of Nebraska Lottery Lotto tickets. Here are the retailer winners for November; each store will receive 120 Go Nebraska Scratch tickets:

- Pump & Pantry #36, Rushville;
- Gas 'n Snaks, Seward;
- Broad Street Amoco, Fremont;
- Git 'N Split #4, Hastings;
- Western Travel Terminal, Scottsbluff;
- Kwik Shop #648, Falls City;
- Casey's #2090, Fremont;

DECEMBER 2010

THE NEWSLETTER FOR NEBRASKA LOTTERY RETAILERS

ticket talk

Ending a Successful Year

by Jim Haynes,
Lottery Director

2010 is rapidly coming to an end. Looking forward to the New Year, the Nebraska Lottery is offering several exciting products and promotions to start 2011 on a high note.

You might remember that in March, we launched our sixth Lotto game, Mega Millions. As part of our continuing efforts to increase player awareness of Mega Millions, this year's Bonus Raffle promotion focused on Mega Millions with Megaplier purchases. Between September 18 and November 26, over 283,000 Bonus Raffle coupons were generated, and overall sales of Mega Millions with Megaplier increased. We will continue to promote Mega Millions in various ways in 2011.

The Nebraska Pick 5 Jackpot Doubler promotion returns on February 1. The Doubler promotion is a player favorite, and one double jackpot was won during this year's promotion. Refer to the story inside this issue for more information about the Nebraska Pick 5 Doubler.

On the Scratch side, the second Larry the Cable Guy Scratch game will be arriving in stores in January. We were very pleased with the results of the first Larry game, and hope that the new game will be just as popular with our players. We have developed some unique point-of-sale materials to promote the game, including a Larry the Cable Guy bobblehead doll that I'm sure you'll want to display at your store.

Previously in Ticket Talk, I mentioned that GTECH has been chosen as the new systems provider for the Lottery's Scratch and Lotto activities. The contract will commence on July 1, 2011, and we are working with GTECH to provide a seamless transition for our retailer partners. More information about the transition and opportunities for training with the new terminal system will be coming in the following months.

These are a few examples of the great products and promotions in store, as we continue to work together generating money for good causes across Nebraska. The latest beneficiary transfer, made the last week of September, brought the total amount transferred to \$388 million since 1993. That's a figure we can all be proud of – **Helping to Build a Better Nebraska.**

Website Redesign

The Nebraska Lottery website has a new look. Over the years, nelottery.com has evolved into an important source of information for Nebraska Lottery players. Traffic to the site continues to rise: in Fiscal Year 2009 – 2010, visits increased 8.6% over the previous year.

The redesign of nelottery.com will provide players with the information they need in a clear, modern layout. Additionally, the design highlights the role that Nebraska Lottery beneficiary funds play in building a better Nebraska.

The new look of nelottery.com is now active, and changes will continue to be made to various sections of the site over time. We hope that our players and retailers continue to use nelottery.com as a resource for information about Nebraska Lottery games, contests, and promotions.

Recent Winners

Lottery Group Splits \$10,000 Nebraska Powerball Prize

A group of three players from eastern Nebraska will share a \$10,000 Nebraska Powerball prize.

Every week, Pamela Pabian of Morse Bluff purchases Powerball tickets for herself and two other players. The other members of the group are: LuAnn Soderline of Fremont; and Mary Ann Tingelhoff of Wahoo.

For the Wednesday, November 10 drawing, Pabian purchased a three-play multi-draw ticket at North Bend Mini Mart, 340 East 6th Street in North Bend. One play on the ticket contained four of the five winning white ball numbers (5, 8, 11, 40, 44) and the Powerball number (10) from the November 10 draw for a \$10,000 prize.

Members of the group met at Nebraska Lottery headquarters on November 29 to claim their winnings. Each player will receive a \$3,333 share of the prize. The group members had no definite plans for their winnings, but some stated that they might use their share to pay bills.

The odds of winning \$10,000 playing Powerball are 1 in 723,145, while the overall odds of winning any prize are 1 in 35.11.

David City Man Wins \$50,000 Playing Totally Topaz Tripler

Anthony Hansen of David City won \$50,000 playing the \$5 Scratch game Totally Topaz Tripler from the Nebraska Lottery.

Hansen purchased his winning Totally Topaz Tripler ticket at Stop Inn Liquor & Foods, 1510 Fourth Street in David City. Scratching the ticket, he revealed matching numbers for a corresponding prize of \$50,000.

There were three \$50,000 top prizes available in Totally Topaz Tripler. Hansen was the third person to claim a top prize in the game.

While claiming his prize on December 6, Hansen told Nebraska Lottery officials that he didn't believe he had won the \$50,000 top prize at first after he scratched off the ticket. "I had to look at it a few times," he said. Hansen plans to pay bills and start a college fund for his children using his winnings.

The odds of winning the \$50,000 top prize in Totally Topaz Tripler were 1 in 100,000, while the overall odds of winning any prize were 1 in 3.39.

2011

Jackpot Doubler Jackpot Doubler

Back by popular demand, the Nebraska Pick 5 Jackpot Doubler promotion will begin on February 1, 2011.

The Jackpot Doubler promotion doubles the Nebraska Pick 5 jackpot each time it is won during the month of February. If a player correctly picks all 5 out of 5 numbers for a draw during the promotion, the winner would receive double the amount of the advertised jackpot. For example, if the advertised jackpot is \$90,000 and all five numbers for that draw are correctly chosen, the winner would be entitled to \$180,000.

Match:	Win:	During February:
5 ●●●●●	Jackpot	DOUBLED!
4 ●●●●●	\$450	\$450
3 ●●●●●	\$9	\$9
2 ●●●●●	Free \$1 Quick Pick Play	Free \$1 Quick Pick Play

One doubled jackpot was won in the 2009 edition of the Jackpot Doubler promotion. Richard Cattlett of Fremont won a total of \$308,000 from the February 16, 2009, drawing. He purchased his winning ticket at Amoco Short Stop, 2650 North Rawhide Drive in Fremont.

Though the "doubler" aspect of the promotion only applies to the jackpot amount, the promotion will continue to apply to all drawings throughout the month, regardless of how many times the jackpot is won. If a Nebraska Pick 5 jackpot is not won during the month of February, then the first jackpot won after February will double. For example, if no jackpot is won in February but a Nebraska Pick 5 jackpot is next won on March 5, 2011, that jackpot will be doubled.
