Criteria for proceeds distribution are established by the beneficiary funds in accordance with legislative mandates. Every county in Nebraska has received service through grants funded with Nebraska Lottery proceeds.

With the end of our fiscal year on June 30, I have the pleasure of reporting our total sales for the previous twelve months. While calculations won't be considered "final" until this fall when our annual audit is completed, the likely total sales figure for Fiscal Year 2007-2008 will be \$122 million. The total for Fiscal Year 2006-2007 was \$114 million.

The fact that this year's figure is an increase from the previous year is a testament to the dedication of our retailer network, and to the public's recognition of the work we're doing together—Helping To Build A Better Nebraska.

**regional mailings**

The Nebraska Lottery recently started sending additional coupon offers to players in each sales region. Mailings are sent to players who were added to our relationship marketing database by entering a contest or winning a Nebraska Lottery prize. The goal of these targeted mailings is to increase awareness and trial of Nebraska Lottery products. Each mailing was developed with input from Lottery Sales Representatives and tailored to promote specific games in their regions.

Coupons from regional mailings can be redeemed just like other Scratch or Lotto coupons by following the instructions on the coupon. Please contact your LSR if you have any questions.

THE NEWSLETTER FOR NEBRASKA LOTTERY RETAILERS

**by the numbers**

by Jim Haynes,  
Lottery Director

While numbers can sometimes be confusing, I think the following information provides a pretty clear story.

Every quarter, I have the pleasure of updating you on the fruits of our collective labors on behalf of our beneficiary programs—in the form of the latest transfer of proceeds.

At the end of June, the Lottery transferred \$8,454,546 to its beneficiaries, which was distributed in the following manner:

- Education Innovation Fund, \$1,669,773;**
- Nebraska Scholarship Fund, \$2,092,500;**
- Nebraska Environmental Trust Fund, \$3,762,273;**
- Nebraska State Fair Support and Improvement Fund, \$845,455; and**
- Compulsive Gamblers Assistance Fund, \$84,545.**

A total of \$319,109,532 has been distributed in quarterly transfers since the Nebraska Lottery began operation on September 11, 1993.

That grand total has been distributed as follows:

- Education Innovation Fund, \$118,077,447;**
- Nebraska Scholarship Fund, \$30,570,058;**
- Nebraska Environmental Trust Fund, \$130,186,508;**
- Nebraska State Fair Support and Improvement Fund, \$9,713,427; and**
- Compulsive Gamblers Assistance Fund, \$7,101,096.**

Prior to July 1, 1997, the Solid Waste Landfill Closure Assistance Fund received proceeds totaling \$18,460,996. In 2004, the Legislature directed that a one-time transfer of \$5 million be made to the State General Fund.

Amendment 4 passed by Nebraska voters in November of 2004 established the following distribution formula: Education as directed by the Legislature (44.5 percent) - currently divided between the Education Innovation Fund and Nebraska Scholarship Fund; Nebraska Environmental Trust Fund (44.5 percent); Nebraska State Fair (10 percent); and the Compulsive Gamblers Assistance Fund (1 percent, plus the first \$500,000 in fund proceeds each fiscal year).

## summer winners

### Alliance Man Wins \$150,000 Playing 15th Anniversary Spectacular

James Fitzsimmons of Alliance won \$150,000 playing the \$15 Scratch game 15th Anniversary Spectacular from the Nebraska Lottery.

Fitzsimmons purchased four 15th Anniversary Spectacular tickets at J&J Pit Stop, 1308 West 3rd Street in Alliance. Scratching the tickets, Fitzsimmons revealed two matching numbers on one ticket with a corresponding prize of \$150,000. There are two \$150,000 top prizes available in 15th Anniversary Spectacular. Fitzsimmons is the first person to win a top prize to date.

While claiming his prize on July 9, Fitzsimmons told Nebraska Lottery officials that his first reaction to winning \$150,000 was thinking, "I did it." He plans to finish remodeling his home and possibly take a vacation using his winnings. The odds of winning the \$150,000 top prize in 15th Anniversary Spectacular are 1 in 180,000, while the overall odds of winning any prize are 1 in 2.97.

### Grand Island Man Wins \$200,000 Playing Powerball

David Kokenge of Grand Island recently won \$200,000 playing Powerball from the Nebraska Lottery.

There were more than 14,000 Nebraska Lottery Lotto winners in the Wednesday, June 18 drawings. Among these winners was Kokenge, who purchased a four-play quick pick Powerball ticket for the June 18 draw at Skagway, 1607 South Locust Street in Grand Island. One play on the ticket contained all five of the winning white ball numbers (09, 12, 31, 39, 52) for a corresponding prize of \$200,000.

While claiming his prize on June 20, Kokenge told Nebraska Lottery officials that he learned of his win after returning to Skagway and using the customer Check-a-Ticket machine. When the Check-a-Ticket reported that he had a winning ticket, Kokenge then had a clerk scan the ticket to verify his prize amount. He stated that he was "shocked" and that he "didn't believe it" when the clerk told him he had won \$200,000. Kokenge plans to pay bills and possibly take a trip to California using his winnings.

The odds of winning \$200,000 playing Powerball are 1 in 3,563,609, while the overall odds of winning any prize are 1 in 36.61.

# OCC chopper roars to life

It was an afternoon of baseball and bikes as five semi-finalists in the Nebraska Lottery Pick 5 and Drive Grand Prize Giveaway gathered on July 20 to find out who would win a custom Orange County Choppers™ motorcycle.

The Grand Prize Giveaway took place during the Lincoln Saltdogs/St. Paul Saints baseball game at Haymarket Park in Lincoln. A series of elimination rounds were held between innings to determine the two finalists who would compete for the OCC™ motorcycle. Barry Clayton of Omaha was eliminated in the first round and received the fifth prize of \$1,000. Next to be eliminated was Jana Holtapp of Omaha. Holtapp received the fourth prize of \$1,500. In the third round of eliminations, Louise Greco of Papillion was eliminated and received the third prize of \$2,000.

After the end of the baseball game, Madonna Sappenfield of Omaha and Glenda Amsberry of Valentine took the field to compete in the final round of the giveaway. Sappenfield and Amsberry took turns selecting keys from a covered container. Only one of the six keys in the container would start the Orange County Chopper. Amsberry made the first attempt to start the bike, but the motorcycle remained silent. Sappenfield then attempted to start the motorcycle. With a loud roar, the bike started accompanied by the cheers of the watching crowd.

Sappenfield, the Grand Prize winner, received a custom Orange County Choppers™ motorcycle, which features a design exclusive to Nebraska\*. The motorcycle prize is valued at \$87,857, which includes \$1,300 for costs associated with ownership and state and federal withholding paid by the Nebraska Lottery of \$4,393 and \$21,964, respectively. Amsberry received the second prize of \$2,500.

\* The chopper was unclaimed in the 2007 OCC \$2 Scratch game.
