equipment tips

With summer coming up, many retailers may be planning some remodeling projects. If you are planning some changes to your store that might affect your terminal setup, please be sure to notify the Nebraska Lottery of your plans.

Communication for the Coronis terminal is satellite-based. Modifications, such as roof work, that will require the satellite dish to be relocated will involve some downtime. To shorten or avoid this downtime, please contact the Nebraska Lottery retailer hotline (800-352-6510) at least one week in advance to ensure that Customer Service Technicians will be available to temporarily remove or relocate equipment.

If you have any questions about your lottery equipment, contact the retailer hotline or talk to your LSR.

FEBRUARY 2009

THE NEWSLETTER FOR NEBRASKA LOTTERY RETAILERS

ticket talk

new for 2009

by Jim Haynes, Lottery Director

The New Year is well underway, and I want to extend best wishes to everyone on behalf of everyone at the Nebraska Lottery. There are a number of exciting things planned in 2009, and I'd like to note some of them here.

The January 2009 changes to the Powerball game have been well received by Nebraska Lottery players. With the addition of the guaranteed 5X multiplier for the Match 5 prize, over 100 prizes of \$1 million are projected to be won each year, nationally, in the new version of the game. For reference, 24 cash prizes of \$1 million were won in 2008.

For racing fans, the \$2 NASCAR® Scratch game was launched on February 10. The game features two trip prizes to any NASCAR sanctioned race in the 2009-2010 season. Radio advertising to support the game is running in February and March, as well as banner advertising on the *Lincoln Journal Star* and *Omaha World-Herald*, and other newspaper web sites.

The Nebraska Pick 5 Jackpot Doubler promotion continues through the end of February. To date, four double jackpots have been won during the promotion. Because a double jackpot was won during the month of February, the promotion will end on February 28.

Plans are being finalized for the launch of the thirteenth edition of the \$2 Truck\$ & Buck\$ Scratch game. The game should launch in May, along with a second chance contest, culminating in a grand prize drawing at the 2009 Nebraska State Fair. Additionally, a new Lotto promotion is in development to replace the April Power Play 10X promotion, which has been cancelled by the Multi-state Lottery Association for this year.

These are just a few examples of the great products and promotions in store, as we continue to work together generating money for our beneficiary programs - **Helping to Build a Better Nebraska.**

NASCAR® scratch game

Based on the #1 spectator sport in the United States, the new \$2 NASCAR Scratch game offers players the chance to win one of two trips to a NASCAR sanctioned race, a total prize value of over \$7,000. Additionally, there are \$297,600 in cash prizes from \$2 to \$1,000 available in the game.

The trip prize is a four-day, three-night trip for two to the winner's choice of any NASCAR sanctioned race in the 2009-2010 season. Each trip includes coach airfare on a major airline for two from any U.S. continental airport, first-class hotel room or best accommodations, all ground transfers from the hotel and race track, reserved seating for two race days, a VIP package, and five hundred dollars in spending money.

The odds of winning the trip prize are 1 in 120,000, while the overall odds of winning any prize in the game are 1 in 3.78.

Retailer Advisory Board meetings are held quarterly; currently in May, August, November, and February in Lincoln. Members receive mileage reimbursement, but otherwise are not paid.

Two new members were recently appointed to serve on the Retailer Advisory Board. The new board members are Paul Mueller from Pac N Save in Seward, and Tony Didier from Didier's Grocery in David City. Both board members will serve from February 2009 to November 2010.
